Next, you will be sent a link. Be sure to check your SPAM folder if you do not receive an email within 3 minutes or so.

This email will contain a link that confirms your registration credentials. Follow the link and log into the site with the email and password you just created.

You will now find the eLearning landing page.

Here, you can access the learning modules by selecting the image of the kitchen appliances or the image of the freestanding appliances.

Example: Kitchen Appliances

By clicking on one of the + symbols or “+ MasterCool” or “+Range Series Products”, you will have a description of the course appear.

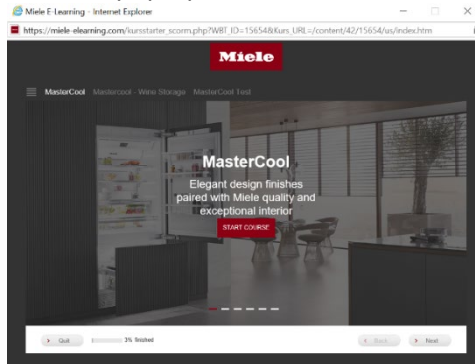

If you want to enter that course, click on it and you will be taken to the module.

Module: Overview

It is very important that you allow pop-ups if you are prompted or asked.

The pop-up will be the course.

You are now started! Be sure to come back often and explore the site. Content changes and the platform will update. So be sure to stay active.
