

## BLANCO PRODUCT ANNOUNCEMENT – SINK CLIPS

July 20,2020

Effective immediately BLANCO will make the following changes to our inclusion and availability of sink clips for sink installation. These changes do not affect the warranty of our product.

1. Installation clips **WILL BE INCLUDED ONLY FOR DUAL or TOP MOUNT Sinks** which includes some products of the Diamond series, Quatrus series, and the Liven and Essential laundry sinks. These Dual Mount products will continue to have installation clips included in each box.
2. Installation clips WILL NO LONGER be included for any true undermount sinks.
3. Installation clips for undermount sinks can be ordered separately should the install require them. Part# 212594 is available for ALL steel undermount sinks and Part # 440851 is available for Silgranit undermount sinks. Both part numbers are reference on page 175 of our 2020 Price Book.

If you have any questions or requests regarding this program, please email BLANCO at [marketing@blancoamerica.com](mailto:marketing@blancoamerica.com) . Thank you for continued support.
