The **Vintage** Difference

Sear Zone

With a sear that truly sizzles, the 100% ceramic combusting burner reaches 1500 degrees for steakhouse cooking performance, at home. The U-Shaped cooking grate provides flavor enhancement while the push button RapidFire™ ignition makes it easy to grill like a master chef.

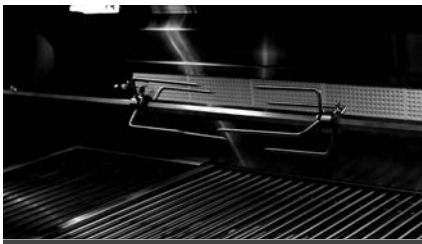

Vintage Heat Delivery System

Achieve perfect, even temperatures every time with the Vintage cooking system. Boasting 27,500 BTU stainless steel burners with VariControl for powerful searing and delicate low temperature cooking; Vintage makes perfect cooking the norm.

Heavy Duty Briquette Tray

The Vintage heavy duty, briquette trays complete the package, with an industry exclusive pentagonal pyramid-shaped refractive ceramic briquette that all but eliminates flare ups.

Commercial Rotisserie

The ceramic, commercial style rotisserie burner provides 12,500 BTUs of power for even searing on all sides of your food as it rotates on the rotisserie kit.

Smoker Burner

A built in smoker box with a dedicated 4,500 BTU burner, on select models creates cold smoke for true, low temperature smoking as well as infusing flavors during cooking.

Easy Lift Hood

The double walled construction assists in providing even cooking and smoking with the added benefit of protecting the stainless steel appearance. The heavy duty spring assists for easy use and reliable operation.

Center-Mounted Access Doors & Drawers

An industry first, center mounting gives consumers the ultimate in flexibility and customization; Center mounting makes accessory doors and drawers field reversible and easy to modify to personal preference.

Pitmaster-Inspired Accessories

From sealed pantries; to a trash/recycle center; to enclosures featuring removable service panels; and a blender station; the options are endless

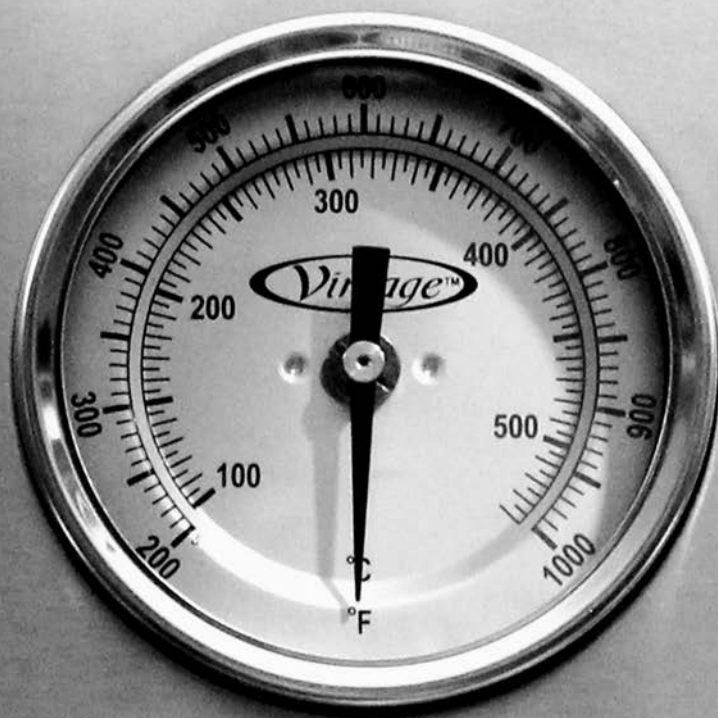

PowerMaxx™ Burner

The 24-inch Power Maxx burners give you 65,000 BTUs of heat over a large surface for power cooking and a low simmer at 400 BTUs for delicate cooking. Create extraordinary meals in the peace and comfort of your own backyard!

Unmatched Performance with a Classic Appearance

The ultimate outdoor experience with the timeless touch of Vintage. Intelligent design with the superior craftsmanship to create a kitchen dreamt by culinary extraordinaires. With Vintage, your outdoor space will be the most enviable social space in town!

A close-up, grayscale photograph of a vintage-style grill's control panel. The panel features four large, polished metal knobs with a classic, rounded design. Below the knobs, a decorative horizontal band with a textured, stone-like pattern runs across the front. The 'Vintage' logo is embossed on the right side of the panel. The background shows the grill's cooking surface with a white towel and a metal rack.
