AMERICAN RANGE

QUALITY COOKING EQUIPMENT

AMERICAN STAR OPEN BURNER

The American Star Open Burner is a full grade commercial style burner made completely out of high grade cast iron, and available in three sizes!

- 25,000 BTU Power Burner
- 18,000 BTU Searing Burner
- 12,000 BTU Simmer Burner

AMERICAN CLASSIC SEALED BURNER

The American Classic Sealed Burner is a classic sealed burner made with power, efficiency, and cleaning in mind, and available in three sizes!

- 17,000 BTU Browning Burner
- 13,000 BTU Sauteing Burner
- 9,000 BTU Melting Burner

PERFORMER DRIP PAN

The single piece tooled cooktop and drip pan can hold up to one gallon of spills! Equipped with dimples that house brass feet on the grates to ensure stability, these drip pans can hold their own in the most demanding environments. Plus they include quick grips to easily remove and clean!

AMERICAN STAR LOCATOR PINS

Never misplace the burner head again with simple and easy to follow locator pins allowing you to quickly and easily replace the burner heads in their exact position.

KNOBS & INDICATOR BADGES

Our new tooled die cast heavy metal stainless steel knobs will be the envy of every kitchen, these beautiful pieces make a wonderful accent to any range in any color, and even come in a variety of different options themselves! The indicator badge will also help boost safety in the kitchen.

LEGACY OF AN ALL AMERICAN OVEN

The ovens on every range come in a variety of sizes from 18" wide, perfect for quick bakes and easy heating, to 36" wide, capable of fitting full bakery sheet pans. Innovation bake allows for faster preheat and bake times and more even heat. A powerful overhead broiler sears meat, browns sugar, and melts cheese!

HUNDREDS OF COLOR OPTIONS AVAILABLE!

Available in sizes: 30" and 36" with up to six sealed gas burners

FEATURES

- Three size burners serve everyday needs: 21K BTU, 18K BTU, and 13K BTU
- Very low simmer setting, as low as 500 BTUs
- Automatic electronic ignition with single point ignition
- Automatic re-ignition in the event the flame goes out, even on the lowest burner setting
- Porcelain burner caps
- Brass valves for long-lasting accurate flame settings
- Continuous commercial-grade cast iron grates allow for easy transfer of pots and pans across the cooking surface

BURNER DESCRIPTIONS

The "TOWER", is a smart dual stock power solid brass burner; a single burner divided into two individual chambers each capable of delivering two definite settings.

The five position state-of-the-art brass valve includes infinite variations within each of the settings from a powerful wok searing 18K BTU's to a 1k evenly distributed ultra-low Halo simmering ring capable of melting in the most delicate of surfaces and being able to maintain a low of 125F -130F Sous-vide cooking! Each burner equipped with an electronic spark re-ignition.

The "PENTA", is a smart dual ring solid brass burner, essentially features two individual internal burners with five distinctive settings .

The five position state-of-the-art brass valve includes infinite variations within each of the settings from a powerful 21K BTU's wok setting to a low simmering, just below the 500 BTU's mark. Each burner equipped with an electronic spark re-ignition.

The "RING", is a smart solid brass powerhouse of its own ,state-of-the-art brass valve includes control variations with a defined high and low settings and infinite variations in-between for everyday cooking with a max 13K BTU's center focused heat and down to a 1500 BTU low setting. Each burner equipped with an electronic spark re-ignition.

ARR-WOK	Wok Adapter for Burner Grates	\$ 139	\$ 149

Must ship from factory with proper gas type. **N**=Natural Gas **L**=LP Gas Must provide **N** or **L** after model number for type of gas needed. Example: ARDCT-305L.
SO = Special Order: Must specify elevation if over 2,000 ft. when ordering.

Available in sizes: 24", 30", 36", 48", and 60"

N = Natural Gas **L** = LP Gas Must provide **N** or **L** after model number for type of gas needed. Example: AROFG-30L, represents unit to be built for LP Gas.
Must specify elevation if over 2,000 ft. when ordering. **SO** = Special Order

FEATURES

- Three size burners serve everyday needs: 17K BTU, 13K BTU, and 9K BTU.
- Continuous commercial-grade cast iron grates allow for easy transfer of pots and pans across the entire cooking surface
- Sealed burners deliver exceptional performance at every level setting and lift off to provide easy cleanup
- Sealed burners create simmer temperatures at minimum setting
- Variable infinite flame settings for all sealed top burners
- Automatic electronic ignition with fail-safe system ensures re-ignition in event of flame outage, even on the lowest burner setting
- Sealed single-piece tooled porcelainized cooktop can hold more than a gallon of spills
- Analog controls provide easy push and turn operation ensuring child safety
- Blue LED light indicates oven functions
- Heavy metal die-cast stainless steel knobs with chrome bezels
- Oven front construction is a durable, precision-made one piece frame
- Innovection® system optimizes uniform airflow
- Multiple functions include: Standard Bake, Innovection® Bake, Infrared Broil, and Fan modes
- Front panel switch controls oven lighting for optimal visibility
- Accommodates full-size commercial sheet pan (All models except 24")
- Two chrome racks glide at four cooking levels on heavy chrome side supports
- Porcelainized oven interior simplifies cleaning
- Extra large viewing window in oven door
- Ceramic infrared broiler provides rapid searing at 1,800°F
- Quick preheat times and uniform cooking temperatures are created with a 28K BTU Bake Burner
- Traditional and Innovection® Bake can be controlled to provide a range of 200°F to 500°F
- **Stainless steel island back trim included and installed**

ACCESSORIES & OPTIONS

- Mirror chrome finish griddle plates available in flat surface and grooved surfaces
- 1" island back
- 4" stub back
- 20" high back with shelf
- Leg caps
- Curb base
- Removable griddle plate
- Griddle cover
- Grill cover
- Broiler pan
- Wok adapter
- Telescoping oven slide rack

RANGE FEATURES

- Three size burners serve everyday needs: 17K BTU, 13K BTU, and 9K BTU
- One piece durable precision from construction oven front
- Ceramic infrared broiler provides rapid searing at 1,800°F
- Quick preheat times and uniform cooking temperatures are created with a 28K BTU bake burner
- Innovection® system optimizes uniform airflow
- Multiple functions included: Standard Bake, Innovection® Bake, Infrared Broil, and Fan mode
- Extra large viewing window in oven door
- **Stainless steel island-back trim included and installed**

PERFORMER

All Gas Ranges with Open Burners

AMERICAN RANGE

Available in sizes: 24", 30", 36", 48" and 60"

WIDE HEAT POWER BURNER

25K BTU AMERICAN STAR open burners provide a variety of temperatures from ample cooking power at high instant heat to even and consistent at an extra low simmer setting.

REMOVABLE OPEN BURNER

Precision machined removable lift-off burner heads make cleaning simple and easy when food spillage happens.

COMMERCIALLY PROVEN

Our robust AMERICAN STAR open burner with its high BTU output capacity is used in commercial ranges and successfully serviced the hospitality industry for many years.

FEATURES

- Three size burners serve everyday needs: 25K BTU, 18K BTU, and 12K BTU.
- True commercial lift-off burners deliver exceptional performance at every power level and provide for easy cleaning
- Continuous commercial-grade cast iron grates allow for easy transfer of pots and pans across the entire cooking surface
- Variable infinite flame settings for all open top burners
- Automatic electronic ignition with fail-safe system ensures re-ignition in the event the flame goes out, even on the lowest burner setting
- Porcelainized burner pans catch spills and lift out for easy cleaning
- Removable stainless steel tray catches spills
- Analog controls provide easy push and turn operation ensuring child safety
- Blue LED light indicates oven functions
- Heavy duty metal die-cast stainless steel knobs with chrome bezels
- One piece durable precision frame construction oven front
- Innovection® system optimizes uniform airflow
- Multiple functions include: Standard Bake, Innovection® Bake, Infrared Broil, and Fan modes
- Front panel switch controls oven lighting for optimal visibility
- Accommodates full-size commercial sheet pan (all models except 24")
- Two chrome-plated heavy duty racks with four positions on heavy chrome side supports
- Porcelainized oven interior simplifies cleaning
- Extra large viewing window in oven door
- Ceramic infrared broiler provides rapid searing at 1,800°F
- Quick preheat times and uniform cooking temperatures are created with a 28K BTU Bake Burner
- Traditional and Innovection® Bake can be controlled to provide a range of 200°F to 500°F
- Center grate included on 30" range
- **Stainless steel island back included and installed**

ACCESSORIES & OPTIONS

- Mirror chrome finish griddle plates available in flat surface and grooved surfaces.
- 1" island back
- 4" stub back
- 20" high back with shelf
- Leg caps
- Curb base
- Telescoping oven slide rack
- Grill cover
- Broiler Pan
- Wok Adapter
- Griddle cover
- Removable griddle plate

ARROB-424
Shown with optional leg caps

RANGE FEATURES

- Three size burners serve everyday needs: 25K BTU, 18K BTU, and 12K BTU
- Ceramic infrared broiler provides rapid searing at 1,800°F
- Quick preheat times and uniform cooking temperatures are created with a 28K BTU bake burner
- Automatic electronic ignition with fail safe system ensures re-ignition in the event the flame goes out, even on the lowest burner setting
- Innovection® system optimizes uniform airflow
- Multiple functions include: Standard Bake, Innovection® Bake, Infrared Broil, and Fan mode
- Extra large viewing window in oven door
- **Stainless steel island back included and installed**

FEATURES

- Three size burners serve everyday needs: 17K BTU, 13K BTU, and 9K BTU.
- Continuous and flush commercial-grade cast iron grates allow for easy transfer of pots and pans across the entire cooking surface
- Kitchen event timer built into the electronic control helps keep track of cooking events
- Sealed burners deliver exceptional performance at every level setting and lift off to provide easy clean-up
- Sealed burners create simmer temperatures at minimum setting
- Variable infinite flame settings for all sealed top burners
- Automatic electronic ignition with fail-safe system ensures re-ignition in the event the flame goes out, even on the lowest burner setting
- Sealed single-piece tooled stainless steel rangetop can hold more than a gallon of spills
- Blue LED lights indicate flame and oven functions provided with every knob
- Heavy metal die-cast stainless steel knobs with chrome bezels
- Electronic key pad with blue display
- Multiple functions include: full power modes for standard bake, Innovection® bake, infrared broil, or warm modes for dehydrate, crisping, and proofing
- Child lock-out function ensures safety
- Commercial-grade high performance thermal insulation keeps kitchen cool
- Programmable timed self-clean for effortless oven maintenance
- Two lights in each oven are controlled from front panel switch
- Accommodates full-size commercial sheet pan (36" only)
- Two chrome racks glide at six cooking levels on heavy chrome side supports
- Commercial-grade high temperature porcelainized oven interior makes for simple cleaning
- 3,500 watt Instagrill™ broiler reaches searing temperature in three seconds
- Straight Innovection®™ with a single high-speed Innovection® fan, 2,200 Watt Innovection® ring heater, and proprietary, stainless steel airflow directors
- Infrared energy from hidden bake and broil elements shine through high-transparency glass, ceramic windows
- Stainless steel airflow directors provide even distribution of Innovection® air for uniform oven temperatures
- Traditional and Innovection® bake can be controlled to a range of 150°F to 500°F
- **Backguard is required and must be order separately (not included)**

ACCESSORIES & OPTIONS

RANGE FEATURES

- Three size burners serve everyday needs: 17K BTU, 13K BTU, and 9K BTU
- Kitchen event timer built into electronic control helps keep track of cooking events
- Electronic keypad with blue display
- Multiple functions include: full power modes for standard bake, Innovention® bake, infrared broil, or warm modes for dehydrate, crisping, and proofing
- Child lock-out function ensures safety
- Programmable timed self-clean for effortless oven maintenance
- Two lights in each oven are controlled from front panel switch
- 3,500 Watt Instagrill™ broiler reaches searing temperature in three seconds
- Straight Innovention® with a single high-speed Innovention® fan, 2,200 Watt Innovention® ring heater, and proprietary, stainless steel airflow directors
- Steel airflow directors provide even distribution Innovention®, uniform oven temps
- Blue LED lights indicate flame and oven functions provided with every knob
- Commercial grade high-performance thermal insulation keeps kitchen cool
- Infrared energy from hidden bake and broil elements shine through high-transparency glass, ceramic windows
- **Backguard required, (not included) must order separately**

WALL OVEN FEATURES

ALL MODELS

- Blue LED lights indicate oven
- Heavy die cast metal, stainless steel knobs with chrome bezel
- Innovection® System with two Innovection® fans optimizes cooking airflow
- Multiple functions include: Standard Bake, Innovection® bake, Infrared Broil, and Fan mode
- Two lights in each oven are controlled from front panel switch
- Two racks glide at six cooking levels on heavy chrome side supports
- Porcelainized oven interior simplifies cleaning
- Extra large viewing window in oven door
- Traditional and Innovection® bake can be controlled to provide a range of 200°F to 500°F
- Commercial grade stainless steel construction with welded control panel
- Easy to use analog controls
- Classic chef door or commercial-style French doors improve oven access
- Dependent French oven doors open 130° with the pull of one handle

GAS MODELS

- Inconel® Banquet broiler provides rapid searing at 1,800°F using 18K BTUs
- Quick preheat times and uniform cooking temperatures are created with a 28K BTU bake burner
- Lower oven of gas double models features proofing element burner for bread making and low temperature dehydrating

ELECTRIC MODELS

- 3,500 Watt Instagrill™ broiler reaches searing temperature in three seconds
- Concealed 3,500 Watt bake element reduces preheat times and creates uniform cooking temperatures
- 2,500 Watt convection element
- Smart Bake pulse Innovection® for evenly distributed heat throughout the oven

HYBRID MODELS

- Best of both worlds - gas and electric combined.

ACCESSORIES & OPTIONS

- Porcelainized broil pan
- Extra oven rack
- Telescoping oven slide rack

Available in sizes: 24", 30", 36", 48" and 60"

RANGETOP FEATURES

- Three size burners serve everyday needs: 17K BTU, 13K BTU, and 9K BTU
- Continuous commercial-grade cast iron grates allow for easy transfer of pots and pans across the cooking surface
- Sealed burners deliver exceptional performance at every level setting and lift off to provide easy cleanup
- Sealed burners create simmer temperatures at minimum setting
- Variable settings for all sealed top burners
- Automatic electronic ignition with fail-safe system ensures re-ignition in the event the flame goes out, even on the lowest burner setting
- Sealed single piece tooled stainless steel cook top can hold more than a gallon of spills
- Analog controls provide easy, push and turn operation, ensuring child safety
- Blue LED lights indicate oven functions provided with every knob
- Heavy metal die-cast stainless steel knobs with chrome bezels
- Stainless steel island back trim included and installed

SEALED BURNERS

Sealed burners are a major cleaning convenience. The seal between the burner and the frame keeps the spills contained so you don't have to remove the parts to clean them. You can simply wipe off the cooking soil from the surface.

SEALED BURNERS

Sealed burners are a major cleaning convenience. The seal between the burner and the frame keeps the spills contained so you don't have to remove the parts to clean them. You can simply wipe off the cooking soil from the surface.

ARSCT-366

RANGETOP FEATURES

- Three size burners serve everyday needs: 17K BTU, 13K BTU, and 9K BTU
- Automatic, electronic ignition with fail-safe system ensures re-ignition in the event the flame goes out, even on the lowest burner setting
- Blue LED lights indicate flame for each burner
- Sealed Single Piece tooled Stainless Steel Rangetop can hold more than a gallon of spills
- Heavy metal die-cast Stainless Steel knobs with chrome bezels
- **Stainless steel island back trim included and installed**

Available in sizes: 24", 30", 36", 48", and 60"
Shown with optional 4" stub back

FEATURES

- Three size burners serve everyday needs 25K BTU, 18K BTU, and 12K BTU
- Stainless steel island back trim included and installed
- Continuous commercial-grade cast iron grates allows for easy transfer of pots and pans across the cooking surface
- True commercial lift-off burners deliver exceptional performance at every power level and provide for easy cleaning
- Variable infinite flame settings for all open burners
- Porcelainized burner pans catch spills and lift out for easy cleaning
- Slide-out stainless steel tray catches spills
- Analog controls provide easy push and turn operation, ensuring child safety
- Heavy duty metal die-cast Stainless Steel knobs with chrome bezels
- Automatic, electronic ignition with fail-safe system ensures re-ignition in the event the flame goes out, even on the lowest burner setting

ACCESSORIES & OPTIONS

- Mirror chrome finish griddle plates available in flat surface and grooved surfaces
- 1" Standard fabricated island back
- 1" Welded island back
- 4" Stub back
- Removable griddle plate
- Griddle cover
- Grill cover
- Wok adapter
- 20" High back with shelf

WIDE HEAT POWER BURNER

25K BTU AMERICAN STAR open burners provide a variety of temperatures from ample cooking power at high instant heat to even and consistent at an extra low simmer setting.

REMOVABLE OPEN BURNER

Precision machined removable lift-off burner heads make cleaning simple and easy when food spillage happens.

COMMERCIALLY PROVEN

Our robust AMERICAN STAR open burner with its high BTU output capacity is used in commercial ranges and successfully serviced the hospitality industry for many years.

When ordering mirror chrome finish griddle plate, indicate griddle plate part number of the range to be fitted.

N = Natural Gas **L** = LP Gas Must provide **N** or **L** after model number for type of gas needed. Example: AROFG-30L, represents unit to be built for LP Gas.
Must specify elevation if over 2,000 ft. when ordering. **SO** = Special Order **UG** = Upgraded part at time of purchase only

Available in sizes: 27", 30" and 36"

FEATURES

- Electronic controls hidden behind the front panel are kitchen-design friendly
- One-touch control presets, adjustable drawer temperatures, and on-times
- Easy-to-read digital display of time and temperature simplifies programming
- Automatic shut-off at end of cycle helps save energy
- Adjust, Add, and Remove function keys make memory programming easy
- Sabbath mode for up to 84 hours of hands-free operation
- Four radiant heaters take the drawer from 70°F to 140°F in four minutes and to 90°F in nine minutes
- Heaters are easy to replace and unit continues to function, creating a "safe-landing" should one or more heaters fail during operation
- Two Innovection® fans hold the drawer at a uniform temperature to +/- 1°F accuracy
- Drawer capacity is truly proportional to product width - larger models have a larger drawer (30" and 36" only)
- Best quality Triple-Play cabinet slides keeps the drawer from wobbling
- Low sides on drawer make loading and unloading easy - and clean-up a snap

SPECIFICATIONS

- Electronic control of time temperature
- Standard kitchen cabinets widths
- Three-slides on the drawer for increased stability
- Timed, Continuous, and Sabbath modes
- Four infrared heaters, two Innovection® fans standard in all models
- Design protected under U.S. Patent 7,166,821

WARRANTY INFORMATION

APPLIANCES TWO YEAR WARRANTY*

American Range (hereafter AMR) hereby provides the following warranty to the original residential user ("Owner") for its new RESIDENTIAL Product(s) to be free from defects in material and workmanship in normal household use for the Warranty period(s) set forth below, beginning from the date that power and/or gas is turned on with proof of installation. Without proof of installation, the beginning is from time of purchase under the terms and conditions as follows: Proof of original purchase date is required to obtain service under this limited warranty.

This Warranty is applicable only on new AMR residential Products and is non-transferable.

This Warranty is not applicable to AMR commercial Products. This Warranty is strictly limited to Products sold to the original Owner in the United States or Canada, and said Owner shall not be entitled to transfer this Warranty to third parties. This Warranty is also not applicable on AMR residential Products that are used for commercial purposes, including without limitation, vacation rentals, fire stations, clubs, government facilities, non-profit groups, bed and breakfast facilities, and board & care facilities, and any home based business whereby AMR products are utilized for a commercial, non-household purpose. Residential products should not be used in a commercial environment.

Warranty Period: For all Product(s) properly registered with AMR, with proof of purchase and within ninety (90) days from the date of purchase, a two year warranty* is in effect subject to the terms and conditions herein. However, in the event that Owner fails to promptly register the Product(s) with AMR within ninety (90) days of the date of purchase, the Warranty period shall be strictly limited to a period of one year for parts and labor, from the date of purchase. Proof of purchase is required for all claims under this Warranty.

*Igniters limited to a one year warranty, from the date of purchase. Proof of purchase is required for all claims under this Warranty. Two Year Warranty applies only to purchases made after May 1, 2018, with a serial number of 180101-100 or higher.

Exceptions to the Warranty: Rubber seals, light bulbs, and gaskets are covered for a period of ninety (90) days only. Oven glass, porcelain, and Products that are not defective, but that require adjustments for normal wear and tear are expressly excluded from this Warranty.

Warranty Claims: In the event of a claim for repair of the Product(s), and to obtain warranty service, Owner must contact either (i) the dealer from whom the product was purchased; (ii) an authorized AMR service agent; or (iii) AMR Residential service support at 1-888-753-9898. You will be asked to provide a model and serial number, and date of original purchase.

AMR shall provide all new replacement parts and all repair labor under the Warranty.

Under the terms of this Warranty, service must be performed by a factory authorized AMR service agent/representative, and approved in advance by AMR. AMR shall not be responsible for labor costs that have not been pre-approved, with written confirmation by AMR. Note that service providers are independent entities and not affiliated with AMR. Travel expenses from the factory authorized service agent to the product location are limited to 25 miles each way. For greater distances, either have the product delivered to the servicer; make separate travel arrangements, or pay for the additional servicer travel. All repair services shall be provided during normal business hours. AMR will not be responsible for premium time or overtime charges for labor covered under this warranty or for repairs made without AMR authorization. Such charges shall be the responsibility of the Owner.

Limitation of Warranty: AMR shall have no obligation under this Warranty as to any Product(s) which have been misapplied, mishandled, abused, misused, modified, altered, subject to improper cleaning methods, subject to harsh chemical action, modified by unauthorized service personnel, damaged by accidents, flood, fire, smoke, public unrest, earthquake, tornado, hurricane, other acts of God, Owner negligence, reasons beyond the control of AMR, failures due to improper installation, insufficient gas or electrical supply, problems due to improper ventilation, or removed/altered serial numbers. Any damage due to water, chemical, or direct contact to infrared burners will also not be covered under this Warranty. This Warranty shall be void if the Product(s) are not properly installed by a licensed plumber; and not properly calibrated for electrical and gas connectivity, gas line size, correct pressure, and properly leveled. Additionally, AMR factory recommended cleaning instructions must be followed by Owner at all times or this Warranty shall be voided by AMR. All delivery, installation, labor costs and other service costs are the responsibility of the purchaser.

Dealer display, model home display and products sold "as-is" have the following warranty:

1. 1 year parts only warranty, if the manufacture date is less than 3 years old.
2. Excludes items that are: missing; cracked; aesthetic; broken; dented; frayed.

Accordingly, except as stated herein-above the dealer display and model home display goods are being sold on an 'as-is' or 'with all faults' basis. Except as stated, the entire risk as to the quality and performance of the goods is with the buyer. Additionally, except as stated, should the goods prove defective following their purchase, the buyer and not the manufacturer, distributor, or retailer assumes the entire cost of all necessary servicing or repair.

THIS WARRANTY IS LIMITED AND MADE IN LIEU OF ANY AND ALL OTHER SUCH WARRANTIES EXPRESSED OR IMPLIED, INCLUDING WITHOUT LIMITATION, ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. THE ENTIRE LIABILITY OF AMR IS SET FORTH HEREIN THIS WARRANTY. OWNER SPECIFICALLY UNDERSTANDS AND ACKNOWLEDGES THAT THERE ARE NO WARRANTIES, EITHER EXPRESSED OR IMPLIED HEREUNDER OTHER THAN THE WARRANTIES WHICH ARE SPECIFICALLY STATED HEREIN. SAID OWNER SHALL NOT RELY ON ANY OTHER ASSERTIONS, REPRESENTATIONS OR STATEMENTS BY AMR OR ITS AGENTS, OTHER THAN THOSE SPECIFICALLY EXPRESSED IN THIS WARRANTY.

AMR'S LIABILITY ON ANY CLAIM OF ANY KIND IS EXPRESSLY LIMITED AND SHALL NOT EXCEED THE WHOLESALE PRICE OF THE PRODUCT(S) OR PART(S) THEREOF THAT GIVE RISE TO SUCH CLAIM.

Failure by AMR to enforce any of its rights under this Warranty shall not be construed as a waiver of those rights. AMR specifically reserves the right to investigate and verify all claims to determine the validity of the claim and the claimant's qualifications under this Warranty. AMR reserves the right to refuse Warranty service in the event that AMR determines that a claimant's right to the Warranty is inapplicable under the terms and conditions herein.

AMR is not responsible for consequential or incidental damage whether arising out of breach of warranty, breach of contract, tort, or any other legal theory, including without limitation, property damage, bodily injury, loss of use, and/or lost profits. This Warranty gives the Customer certain legal rights. The customer may also have other legal rights which vary from state to state. Some states do not allow limitations on how long an implied warranty lasts, or do not allow the exclusion or limitation of incidental or consequential damages. If such laws apply, the limitations or exclusions contained in the terms and conditions of this Warranty may not apply to all such Owners.

AMR expressly reserves the right to make changes to their Warranty policy before or after purchase by the Owner:
