Trade Pricing requires an annual volume of \$8,000. Wholesale Pricing requires an annual volume of \$15,000.

Product is shipped as available. If a method of shipment is not specified by the customer at the time an order is placed, the carrier will be determined at our discretion. No changes or cancellations are accepted after shipment. A 20% restocking fee will apply to cancellations after staging for pickup.

FREIGHT

All shipments are F.O.B. our warehouse in Dallas, Texas. Shipments via motor freight are shipped freight prepaid and invoiced unless other arrangements are made prior to leaving the Dallas warehouse. The customer may choose the carrier of their choice. If "Best Way" is specified, we will select from

freight lines which offer discounts to our customers. However, Ambella Home Collection is in no way associated with a specific carrier. Any quotes provided are done so by or with information provided by the freight line and Ambella Home Collection is not responsible for errors or miscommunications. Due to damages, furniture items, regardless of size, cannot be shipped by any method other than by freight line.

DAMAGES

It is our goal to provide quality products to all of our customers. All of our factories carefully inspect each item before it is packaged and shipped to our warehouse. Every effort will be made to ensure your order arrives safely. Inspect your shipment immediately upon arrival. Should exterior damage to the carton be visible, make a notation on the shipper's delivery ticket. Report any losses or damages to us at our offices at once and notify the carrier. All damaged cartons should be saved until the claim is settled. It is the customer's responsibility to handle any claims for freight damage or missing items. We are not responsible for any freight errors after the item has left our warehouse.

PRODUCTS

Our furnishings are handcrafted by gifted artisans. Slight variations in detail and finish may occur, as each piece is its own unique creation. For care, we recommend Guardsman Furniture Polish by Valspar Corporation. Marble and granite tops should be maintained with the use of any quality stone cleaner or sealer. Genuine leather is used on many of our products. Leather is a natural product and will display small scars and imperfections. Dust with a soft cloth and never use polish, oils, or window cleaner on leather. Wipe up spills immediately and use coasters under glasses. As with all fine furnishings, avoid heat sources and direct sunlight.
