No changes or cancellations are accepted after shipment. A 20% restocking fee will apply to cancellations after staging for pickup.

#### FREIGHT

All shipments are F.O.B. our warehouse in Dallas, Texas. Shipments via motor freight are shipped freight prepaid and invoiced unless other arrangements are made prior to leaving the Dallas warehouse. The customer may choose the carrier of their choice. If "Best Way" is specified, we will select from

freight lines which offer discounts to our customers. However, Ambella Home Collection is in no way associated with a specific carrier. Any quotes provided are done so by or with information provided by the freight line and Ambella Home Collection is not responsible for errors or miscommunications. Due to damages, furniture items, regardless of size, cannot be shipped by any method other than by freight line.

#### DAMAGES

It is our goal to provide quality products to all of our customers. All of our factories carefully inspect each item before it is packaged and shipped to our warehouse. Every effort will be made to ensure your order arrives safely. Inspect your shipment immediately upon arrival. Should exterior damage to the carton be visible, make a notation on the shipper's delivery ticket. Report any losses or damages to us at our offices at once and notify the carrier. All damaged cartons should be saved until the claim is settled. It is the customer's responsibility to handle any claims for freight damage or missing items. We are not responsible for any freight errors after the item has left our warehouse.

#### PRODUCTS

Our furnishings are handcrafted by gifted artisans. Slight variations in detail and finish may occur, as each piece is its own unique creation. For care, we recommend Guardsman Furniture Polish by Valspar Corporation. Marble and granite tops should be maintained with the use of any quality stone cleaner or sealer. Genuine leather is used on many of our products. Leather is a natural product and will display small scars and imperfections. Dust with a soft cloth and never use polish, oils, or window cleaner on leather. Wipe up spills immediately and use coasters under glasses. As with all fine furnishings, avoid heat sources and direct sunlight.

# AMBELLA HOME COLLECTION CUSTOM FABRIC PROGRAM

All COM should be shipped freight prepaid to the following address:

**Ambella Home Collection  
4910 Lakawana St.  
Dallas, TX 75247**

Make a photocopy of the COM INFORMATION FORM and include it with your fabric shipment.

The following information should accompany the COM:

- 1) Your contact information.
- 2) Your purchase order number and the item to which the COM is to be applied.
- 3) Fabric supplier contact information and fabric identification number.
- 4) The face side to be used and the direction the fabric will be applied.

Note: If application instructions are not received, Ambella Home Collection reserves the right to apply the fabric using its best judgment.

## COM YARDAGE ALLOWANCES

Yardage requirements may vary depending on item size/shape, fabric pattern, repeats, bias welts and special applications. Stated COM yardages are based on plain 54" fabric that is railroaded. For fabrics with pattern repeats and/or widths less than 54", apply extra yardage as indicated in the following table. Call for leather requirements.

FABRIC WIDTH	PLAIN	2" - 14" REPEAT	15" - 26" REPEAT	27" - 36" REPEAT
54"	---	10%	25%	35%
48"	20%	30%	40%	50%
36"	60%	70%	80%	100%

Please be aware that the COM chart handles the majority of situations, but due to the nature and complexity of some fabrics as well as the styling of some items, the following points should be noted:

- 1) Add 15% additional COM for patterns with plaid or two-way matches
- 2) Please contact customer service if the fabric has a repeat greater than 36"
- 3) Please include a sketch where special pattern applications are desired
- 4) Due to the multiple match points on ottomans, additional yardage may be required

## BACKING

Some COM may require backing to help hold together loosely woven material. You will be contacted in this case before the order may proceed into production. Minimum charges apply. See below for pricing:

SPRAY BACKING PRICE	RETAIL
Per Yard	\$9
Minimum Charge	\$300

KNIT BACKING PRICE	RETAIL
Per Yard	\$36
Minimum Charge	\$360

## RETURN OF EXCESS COM

Excess COM may be returned upon request. Handling and postage charges apply. You must request the return of any excess COM upon placement of the order.

## COM TRIMS

Application of a COM trim is one-half the price of an Ambella Home Collection trim. Due to the nature and difficulty of some COM trims, additional charges may apply.
