- 38 dBA
- Three racks - two of them are glide racks
- Clean front - can mix and match with any stainless steel brand!
- Precision Dry Plus Option - dry with heat and a fan
- Crystal Cycle
- ENERGY STAR Certified

RISE & NOIR SMALL SPACE UPDATE

Our 24" product will be open to order (OTO) in November 2020 and open to ship (OTS) in January 2021. This includes our new steam ovens (JJW6024HM/L), speed ovens (JMC6224HM/L) and wall ovens (JJW2424HM/L).

“
The only way is forward.
Progress is in our DNA.

AVAILABILITY UPDATE

~8-10 week lead times:

- 30" & 36" columns
- Hood liners: JXL6536HSS, UVL6036JSS, UVL6048JSS

Commercial Ranges are shipping now! We are working through back orders and are seeing improved availability on our 30" and 48" models.

- 30" & 48" lead times of ~10 weeks
- 36" lead times of ~12 weeks

Shipping in March/April 2021:

- JFFCC72EHL
- JFFCC72EFS

**Please work with your clients to place orders as far in advance as possible. Thank you!

COMMERCIAL RANGE RACK LITERATURE

Each new RISE & NOIR range will ship with two racks. There will be a tent card inside each range that walks the client through how to receive the third rack.
