

Introducing the LG WashTower™

Ultra large capacity and fully featured, with the washer on the bottom and dryer on top, the sleek single unit LG WashTower™ takes up half the space,* giving you room to add a sink, a folding table or whatever you like.

This Vertical Laundry Solution Puts Everything Within Reach

LG WashTower™

Unlike conventional stacked pairs, LG's exclusive Center Control™ panel is perfectly positioned with both washer *and* dryer controls at just the right height.

Built-in intelligence makes laundry less of a chore by taking out the guesswork, while top-of-the-line innovations put advanced cleaning power within reach.

*Half the functional floor space.

Electric models WKEX200HBA/HWA and gas models WKGX201HBA/HWA are available in black steel and white finishes.
