# A MEETING OF HEAVEN AND EARTH

## CELESTIA 6233

62" x 33" x 24"

47 Imperial gallons | 57 U.S. gallons

FineStone™ | Satin Finish

Feminine, ethereal and strong, Celestia™ means of the sky. When crafting this new bath collection, we took inspiration from the sky : the feeling of grandeur of looking at the night's vault of heaven and seeing the sparkling glow looking back. Everything is and once was made of stardust. Our earth, the minerals, what we find in it has a profound connection with the heavens above.

Without compromising the comfort and ergonomics that BainUltra® is famous for, the composition of the Celestia-Freestanding bath's sweeping thin lines that bring forth an association to sculpture.

"The crest of a wave, her elegance and perfect curve, the power above conceals stillness below."

As a beautiful work of art in a museum, Celestia is the center piece of any bathroom, a jewel that captures attention and pleases the eye.

Made of FineStone™

The specifications shown represent the outer edge dimensions. The manufacturer accepts a 1/4" (0.64 cm) variance. There are variations on each bath and specifications are subject to change as we improve upon our product as required. The dimensions needed for site preparation and structure building will differ. BainUltra assumes no responsibility for preparatory work done prior to the product being on the site. Some restrictions may apply.

# EXPERTISE BEYOND COMPARE

Michelangelo's "David" was sculpted from a large solid piece of marble and Rodin's "The Burghers of Calais" is in bronze.

Each of these priceless sculptures, are monumental pieces of art history that exist in different mediums and materials.

BainUltra® is known for its quality bathtubs, made of materials that brings durability and timelessness, while respecting environmental concerns.

For centuries, artisans have explored and experimented with the characteristics of different materials to achieve their lofty designs.

Celestia™ brings about the next evolution for BainUltra in a new medium.

Celestia is made with FineStone™, BainUltra's new high quality solid surface material composed of refined minerals and pure liquid acrylic.

Pushing the limits of design and technology, this new material was developed in order to realize a new world of design possibilities. Our skilled craftsmen have brought our expert artisans dreams to life with an impeccable attention to detail and quality.
