

## Tornado Flush® Toilet and WASHLET®+ Model Transition Notice

Carlyle® II, Carolina® II, Supreme® II, UltraMax® II, Drake® II, Vespini® II

TOTO announces its transition of elongated toilets that feature the Tornado Flush flushing system to the T40 platform.

This transition will result in one standard platform. All toilets listed will use SS124 as the standard seat.

Options for seat upgrades will be one of following WASHLET models:

S500e / S550e or one of our new models to be announced C2 or C5

For your Quick Reference, Transition Charts are shown below.

On December 14, 2020 we will distribute the discontinuation notices for the T20 Tornado Flush flushing system toilet models and a new product book for all of the new T40 toilets and WASHLET models.

**\*During this transition there will be limited inventory**

**Current quantities will last from February 2021 – April 2021, and vary based on model**
