

THE 2021 LOOKBOOK

NEW PRODUCTS TO MAKE YOUR HOME YOUR OWN

EMTEK SELECT

MADE TO BE PERSONAL

Our 2021 Emtek SELECT expansions open the door to unprecedented personalization, allowing you to mix and match even more styles and designs across levers, knobs, stems and rosettes.

LEVERS

DOORKNOBS

CABINET PULLS

STUDIO BRASS

THE SPOKE KNOB

Be it art, architecture or interior design, Emtek products take inspiration from all walks of life—including our daily commute. Echoing the wheel of a bicycle, the Spoke Knob is the flagship piece in the Studio Brass line dedicated to bringing boutique design straight to your door.

“

One of my favorite things about riding a bicycle is the way you see things at a different speed. I try to apply those lessons to my work at Emtek as well. We're able to see the value in brief moments of inspirations and use those flashes of brilliance to bring something new to hardware.

— WILL ZHANG
