Ordering: Email all purchase orders to sales@stoneforest.com. Or fax to 505-982-2712. Please include your email on your order.

We confirm receipt of your purchase order within 48 hours by e-mail. This confirmation corrects and confirms all pricing and will also specify our estimated ship date. Please review the confirmation carefully and contact us promptly with any changes. If we have any questions or concerns on an order, we will attempt to contact you by phone, email or fax and the order will be placed on hold until all questions and concerns are answered. Common questions that may hold up an order include faucet drilling in countertops, shipping address and/or phone number, and unclear product codes or descriptions. If you do not receive a confirmation within 48 hours it may be that we did not receive your purchase order or we have a question on it, please contact us. Please note that ALL items on a single PO are packed together for efficiency when possible.

Availability: Please understand that our products are handcrafted and can't simply be pulled off a shelf and shipped the next day. We 'stock' our products in a roughed-out or semi-finished condition and lead times will be confirmed on order confirmations. Custom work usually takes a minimum of 14 to 16 weeks.

Backordered Items: Please advise us if you would like the order shipped partial or held to ship complete. We cannot guarantee ship dates for backordered items but do our best to finish and ship as soon as possible.

Rush orders: If product is needed sooner than our standard lead-time, we offer a rush service. We can guarantee to ship your order within 4 business days of order receipt for a **\$175 NET rush fee**. This is in addition to any standard or expedited shipping costs. Rush orders must be designated by a line item on the purchase order indicating the \$175 fee. The RUSH service is not offered for our wood products and Elemental systems, due to production schedule.

MINIMUM ORDER FEE: There will be a minimum order fee of \$10 added to any order less than \$150 NET.

DROP SHIP FEES within the USA: \$10/ups and \$50/freight shipments

Cancellations: Orders may be cancelled within 3 business days of our purchase order confirmation with no fee incurred. A 15% re-stock fee will be applied after that date and up to 72 hours prior to the estimated ship date to reflect the finish work and packing that has been put into processing the order. Within 72 hours of the estimated ship date a 25% re-stock fee will be applied. Once an order has been shipped, Stone Forest is not responsible for additional freight or restock charges. *PALMER and WATERMARK items cannot be cancelled.*

Shipping: Most single vessel sinks will ship via UPS. Farmhouse sinks, natural vessels, and pedestal/vanity setups ship via freight. Please specify if you would like your shipment sent prepaid and billed on your invoice, collect or third party. If you would like a UPS shipment sent on your account, you must provide that account number. Feel free to call for a freight quote using one of our carriers. Please note that shipping quotes are only an approximation based on weight and zip code for a standard shipment.

RETURNS

Please note we carry a 30 day return policy. We require our dealers to inspect all incoming product when received for shipping damage, hidden or otherwise. Feel free to refuse any damaged product and contact us immediately regarding a replacement. Please report receipt of any damaged goods immediately to Stone Forest and to the carrier that delivered the goods. If you choose not to inspect goods when received you assume all liability for shipping damages.

If you wish to return an item to us, please email us a request for a Return of Goods Authorization indicating the original PO# and the reason for the return. Upon review we will reply within 3-5 business days with an official RGA form which will include all instructions for returning product to us. Please be sure to follow all return instructions on the RGA form in order to receive credit. Credit will be issued for returned product following inspection by Stone Forest. Stone Forest will not issue credit on any return received damaged due to insufficient packing. All non-defective returns will carry a 25% restock fee, and applicable shipping charges will be the responsibility of the showroom. If you are uncertain of a defect, please feel free to email us images to info@stoneforest.com for review prior to returning the merchandise. Areas of enhanced coloration, anomalies or veining in natural materials are not considered to be a defect; and as our products are handmade, slight variations in size, color and shape are to be expected. All returns must be packed carefully and returned to our workshop at: 4525 Agua Fria, Santa Fe N.M. 87507. Returns shipped to our office address will incur a \$50 handling fee. *PALMER and WATERMARK items cannot be returned.*

Billing & Payment: Send all payments to Stone Forest, P.O. Box 2840, Santa Fe, NM 87504. To ensure proper payment, reference our invoice number or sales order number on your check. Invoices are mailed the week an order is shipped, and statements are printed on the 15th of each month. A 1.5% interest fee per month will be charged on late payments. Consistently late payments will result in the account being put on hold, and payment terms may be returned to pre-payment.

Limited Warranty: Stone Forest warrants its products to be free of defects in material and workmanship for 5 years from date of purchase. This does not include irregularities inherent in natural stone nor does it warrant our copper and bronze finishes. These finishes will patina over time. This warranty does not cover damage or other problems caused to the goods during shipment, or by improper installation techniques, modifications, physical force or other abuse and does not cover any related labor charges, removal and reinstallation expense, freight/postage, or resulting injury. The use of plumber's putty will void this warranty. Installation using pop-up drains will void warranty.

Stone Forest shall only be responsible for repairing or replacing any part or parts that do not comply with this warranty, as determined by Stone Forest. Stone Forest's total liability under this warranty will not exceed the purchase price for the goods and will not include consequential damages.
