Commercial Satin Finish
Spacious Deep Bowls

24 models | 45 skus

Our revolutionary EZ Torque™ installation on select models is a simplified fastener system that allows you to install the sink in just a few simple steps.

SPACIOUS

DEEP BOWLS

Large Capacity Sinks

The 9" deep sink with rear set drains and tight radius corners fits most large cookware. While the custom fit accessories are a great way to optimize your kitchen space by prepping over your sink to allow for more counter space.

CONTEMPORARY

DURABLE SINKS

Highly Resilient

Made with high quality 18-gauge stainless steel with a rich chromium content that helps shield the material from corrosion and prevents bacterial growth. The streamlined look with a striking satin finish that will stand up to heavy use.
