LIMITED **5/2** WARRANTY
 The warranty program of 5 Year Parts and 2 Year Labor is on all BEST branded products for the North American market. The complete Warranty statement is provided in the installation guide included with each product and on the website.

With Code Ready Technology (CRT) code compliance has never been easier. CRT allows the installer to set the maximum blower speed to achieve the right level of performance offering another solution to address local codes or make-up air requirements. CRT is available in models with the iQ6 and PF6 blowers.

Powered by the exclusive iQ Blower System™ with GPS Technology for the quietest, most energy efficient and fastest smoke & odor removal available in a range hood.
