Why Buy Zephyr?

Leader in Technology and Innovation

Zephyr Connect App:

Control compatible range hoods remotely from anywhere, changing fan speed, lighting and more. Seamlessly connect with smart devices such as Amazon Alexa or Google Home smart speakers for voice activation. Get notified with detailed product information, reminders for cleaning or filter purchase/replacement, or simply turn a hood off after use. The app provides quick access to warranty information as well as a library of how-to videos.

PowerWave™ Blower Technology:

Designed to deliver best-in-class performance with unparalleled quiet operation, inspired by three-phase AC power. This system allows for a dual internal blowers to achieve 1,300 CFM.

Airflow Control Technology™ (ACT™):

Allows for restricted CFM levels based on Make-Up Air requirements.

LumiLight LED Light Bulbs:

25,000-hour lifetime, dimmable LED, natural 3,000k color output, 3 year warranty. Integrated throughout more of our products.

ICON Touch® Controls:

5-speed touch controls that seamlessly integrate into the stainless steel.

ADA Compliant – RF Wireless Remote Control

Highest Quality

Zephyr uses high quality stainless steel that is welded and polished so there are no sharp edges or seams.

Quietest Hoods in the Industry

Zephyr ventilation products can get as low as 0.5 sones, which is the same level of sound as a soft whisper. Or as low as 1 sone, the same as a refrigerator hum.

Duct Cover Extension Option up to 12' Ceilings

All chimney wall and island range hoods can reach ceiling heights of up to 12' with the optional Duct Cover Extension.

Quick-Lock Installation System for Island Models - the easiest in the industry

Install an island range hood in 3 easy steps – what used to take 3+ people, now only takes 2! It's the easiest island range hood installation system in the industry.

Versatile Outdoor Options

From inserts to wall models, Zephyr outdoor ventilation hoods all share the same great features: 304-stainless steel; pro baffle filters; powerful blowers up to 1,200 CFM; large depth; and range of widths to cover even the largest of grills. Optional LED lighting available on all models.

Why Buy Presrv™?

Energy Rated and Approved

Zephyr Beverage Coolers are DoE and ENERGY STAR®* approved and can reach the ultra-cold temperature of 34°F**.

As of October 26, 2019, all beverage coolers need to comply with new DoE regulations and be listed on the DoE website.

Full-Extension Black Wood Wine Racks in all Models***

Versus partial extension or wire wine racks.

Lower Height

Under-counter models have a minimum height of 33-7/8” as compared to 34-3/8” for other brands.

ADA models are less than 32” in height making them ADA-compliant.

Zero-Clearance Door Hinges in all Models

Now Included

Demonstration Mode, Door Open Alarm, Memory Function in the Controls and Sabbath Mode with STAR K Certification.

High Quality Compressor

Ultra-quiet, more efficient, and lasts longer than the competition.

Designed with the BEST Usable Storage

- Improved bottle spacing on each rack
- Large Champagne-style bottles now fit better on specially designed 7-bottle racks
- Rack spacing between each rack increased to accommodate Pinot Noir bottles on every rack

3-Color LED Lighting***

In Cloud White, Deep Blue and Amber.

Higher Quality Temperature Sensors to Maintain Temperatures

304 -Grade Stainless Steel

Constructed of high quality 304-grade stainless steel that is durable with welded and polished corners. Contemporary or pro-style**** handle options available. Brushed Gold and Matte Black contemporary handles now available.

*Not available on select Beverage Cooler models: PRB24C01BPG and PRB24A03

**Full Size Beverage Cooler, PRB24F0AG has an ultra-cold temperature of 38°F

***Not available on outdoor model: PRB24C01S-OD

****Not available on black stainless steel models: PRB24C01BBSGRW/24C02BBSG

Shared Features

34° PreciseTemp™
Multiple internal sensors help maintain accurate temperatures.

Active Cooling Technology
An on-board computer controls an active cooling fan to provide temperature stability and even cooling.

Dual-Pane, Low-e, Argon-Filled Glass
Improves insulation to minimize heat exchange and increases soundproofing characteristics.

3-Color LED Lighting
LED lighting in Cloud White, Deep Blue and Amber.

Vibration Dampening System
Noise and vibration is reduced to minimize wine disturbance.

Zephyr Warranty
We back our products with a generous 2 year parts and 1 year labor warranty along with a 5 year warranty on the compressor.

Door Finish: 304-grade Stainless Steel + Glass. Cabinet Finish: Black. Interior Finish: Black
Warranty: 2 years non-consumable parts, 5 years compressor, 1 year labor

All prices, models, and specifications are subject to change without notice.

*PBD-1300B is a dual internal blower kit with a single blower and two blower openings. To complete the kit you must remove the blower from the hood and install it into the PBD-1300B kit.

NOTE: PBD-1300B blower is not compatible with the AK7300AS model.

**ZRC-70xxC recirculating kits are compatible with 700-CFM internal blower only (blower included with hood). ZRC-70xxC includes a 4-inch tall return-air box, so please plan your installation accordingly.

DID YOU KNOW Zephyr Connect is an exclusive app that allows you to control the range hood remotely from anywhere with an easy-to-use interface and enhanced product features. Change the fan speed, set the delay-off, turn lights on/off, and more. Connect to your smart devices such as Amazon Alexa or Google Home smart speakers for voice activation and hands free operation. Available on the App Store or Google Play.

Finish: (S)-Stainless Steel

Warranty: 3 years non-consumable parts, 1 year labor

*ZRC-01LX recirculating kit is compatible with CBI-290C and CBI-600A internal blowers only.

DID YOU KNOW The Perimeter Aspiration System moves airflow away from the central area of the hood and evenly distributes it through narrow openings around the perimeter of the hood. This ventilation method increases air velocity and improves the capture of cooking contaminants. Available in select models: ZPY, DLA, DVS, DVL, ALU, and AK85

Finish: (S)-Stainless Steel (W)-Powder Coated White
Warranty: 1 year non-consumable parts, 1 year labor

All prices, models, and specifications are subject to change without notice.
