15" MARVEL INDOOR CLEAR ICE MACHINE, GRAVITY DRAIN - NEW

- Large-capacity bin stores up to 28 pounds of clear ice, while preserving quality and assuring fresh ice production
- The quietest ice machine you can buy with an exclusive sound-buffering design
- Energy-saving options conserve water and energy
- Engineered to consistently produce pure, clear ice with unrivaled clarity, immediate cooling and slower melt
- Its uniform size and compact density prove to be the optimal shape to provide faster cooling, while taking up less space in your glass
- Produces up to 39 pounds of clear ice daily, the equivalent of nearly eight convenience-store bags of ice
- Streamlined componentry and single-connection water fitting for simple installation
- Thermal-efficient cabinet insulates cooling environment and ensures optimum energy efficiency while maximizing capacity
- Marvel integrated controls feature audible alerts and programmed cleaning reminders
- Eco Ice mode moderates ice production to conservative usage, saving 25% water (91 gallons monthly) and 25% energy (\$45 annually) Note: Based on national average of \$0.12 kWh at 100% operation
- Delay Start/Vacation option automatically postpones operation by 1/4/6/8 (hour or day) intervals, preventing wasteful water use
- Illuminice feature projects arctic white LED light through clear ice for a dazzling illumination effect
- Elegant midnight black monochromatic interior
- Easy-to-clean, hygienic interior surface
- Reversible door allows for right or left swing for adaptable installation
- Black toe kick adjustable to 4" with leveling legs
- 1-year parts and labor warranty and 5-year sealed system parts warranty

15" MARVEL OUTDOOR CLEAR ICE MACHINE, GRAVITY DRAIN - NEW

- Large-capacity bin stores up to 28 pounds of clear ice, while preserving quality and assuring fresh ice production
- Designed for outdoors
- Energy-saving options conserves water and energy
- Engineered to consistently produce pure, clear ice with unrivaled clarity, immediate cooling and slower melt
- Its uniform size and compact density prove to be the optimal shape to provide faster cooling, while taking up less space in your glass
- Produces up to 39 pounds of clear ice daily, the equivalent of nearly eight convenience-store bags of ice
- Streamlined componentry and single-connection water fitting for simple installation
- Thermal-efficient cabinet insulates cooling environment and ensures optimum energy efficiency while maximizing capacity
- Intergrated controls feature audible alerts and cleaning reminders
- Eco Ice mode moderates ice production to conservative usage, saving 25% water (91 gallons monthly) and 25% energy/\$45 annually
- Delay Start/Vacation option automatically postpones operation by 1/4/6/8 (hour a day) intervals, preventing wasteful water use
- Illuminice feature projects arctic white LED light through clear ice for dazzling illumination effect
- Corrosion-resistant stainless steel exterior
- Easy-to-clean, hygienic interior surface
- Reversible door allows for right or left swing for adaptable installation
- Stainless steel toe kick adjustable to 4" with leveling legs
- 1-year parts and labor warranty and 5-year sealed system parts warranty
