## Discontinued Product Notice

The Sub-Zero and Wolf leadership reviews the product offering yearly to ensure that efforts are being utilized in the right areas of their business. The core team reviewed performance, sustainability and compliance, as well as future product offerings as inputs to the discussion. The result of this analysis will be the removal of items in 2022 to accentuate the products that deliver the brand promise in areas of their core competencies.

The deadline for ordering "Last Time Buy" models noted to the left in the ODM website will be **Friday January 7, 2022.**

Products will continue to be orderable while supplies last. All last time buy orders will be non-cancellable and we will look to ship these products as they are available.

It has been requested that each Dealer review their anticipated needs for all the above models, and follow these specific instructions for placing last time buy orders:

- Please be sure to review any builder project needs, and/or any regulatory/certification requirements as you consider the impact on your last time buy order quantities.
- Submit PO's in COMNet (ODM) that represent all "Last Time Buy" requirements, and clearly indicate each order with an order comment "Last Time Buy".
- Enter all "Last Time Buy" bulk orders in COMNet (ODM) using a phased monthly shipment request date plan.
- Any large "Lump" orders entered in ODM using a single request date will be rejected and re-entry will be required.

Please contact your Territory Sales Manager if you have any questions regarding the information provided in this ArrowGram.
