## MARIS GRANITE SINKS

# Add functionality with a sink

Adding harmony and balance to your kitchen, laundry room and life. Maris sinks are the perfect addition; pairing modern looks with clever features and creating the ideal union of design and functionality.

Laundry rooms are the hub of household chores, but that does not mean they have to be void of style. The Maris spacious and hardworking utility sink offers a convenient place for hand washing clothes, treating stains, cleaning up after craft projects or washing pets.

## Savor every delicious detail

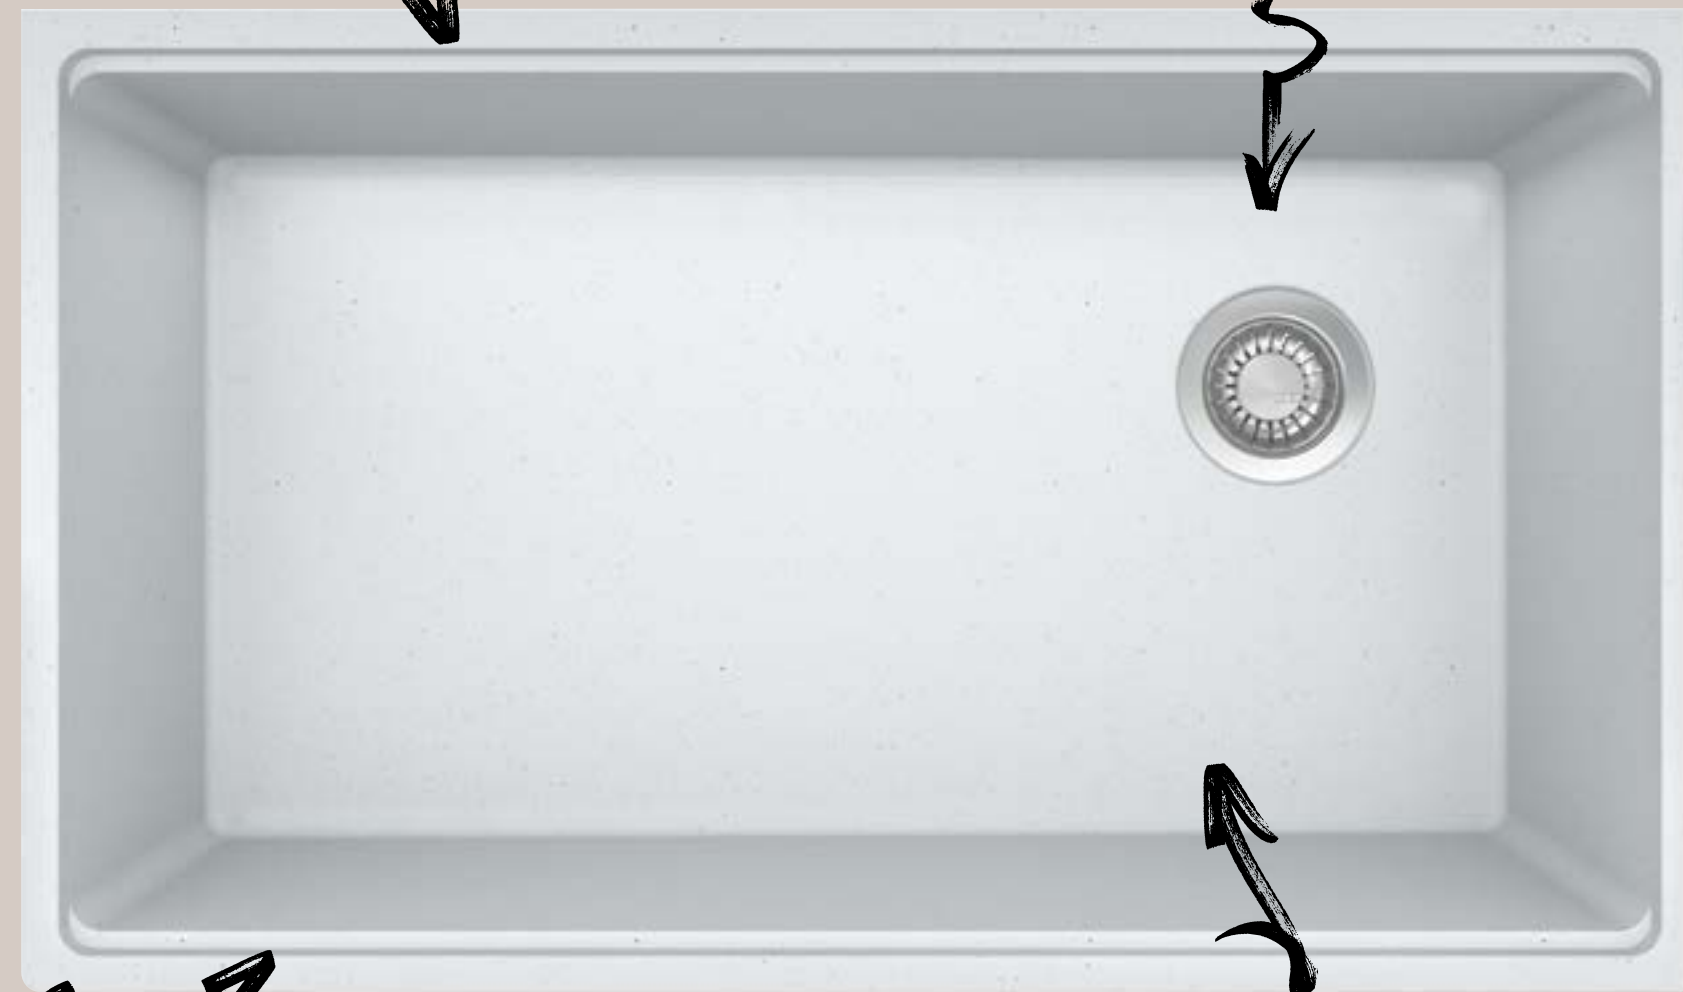

Wonderful together, yet individually impressive, our Maris sinks boast an exceptional range of features that are made for everyday use and easy maintenance- giving you more time to enjoy the everyday family moments that matter most.

Whether you prefer a topmount or undermount installation, Maris offers versatility to suit your style.

Tighter corner radius and rear offset drain maximizes bowl space and creates more room for everyday tasks.

Optimize your workspace with custom-fit accessories that allow you to work over your sink, keeping countertops clear.

Raise your glass to stain resistance. Maris granite resists stains even from red wines, your sink will clean up quickly and easily.

## The ideal fit in Granite

Made from quartz - one of the hardest and durable materials known to man - Granite is a fine choice in many environments, especially in busy family homes.

Granite is unaffected by temperatures up to 536°F, also resistant to impacts and thermal shock, and so scratch resistant that even knives won't mark the surface. So Maris sinks keep looking good for longer.

Easy to clean and exceptionally hygienic, Granite is treated with Sanitized® - incorporating silver ions within the material, to reduce bacteria and microbe growth by 99%, protecting you and your loved ones.

### Germ Proof

Granite treated with Sanitized® reduces bacteria and helps to keep your Maris sink a Clean Zone.

### Scratch Resistant

Knives, forks, and cookware won't scratch the surface.

### Impact Resistant

Resistant to impact and thermal shock. Withstands temperature up to 536°F.

### Color Proof

The surface color will not fade over time.

### Easy-to-Maintain

Non-porous surface repels liquids so color will not stain and ensures that your sink cleans up quickly and easily, so you can admire its beauty.

## Colors to suit every taste

Reflecting the latest kitchen color trends and echoing your individual style and taste perfectly, Maris sinks are available in six colors.

Simply choose the color that best complements your kitchen or laundry room and matches perfectly to your taste.
