USB - Rechargeable battery, charge with USB (battery and cord included)

Battery operated - Battery operated with 4 pcs, AA battery 1.5 V batteries (not included)

Note that the surface to be glued must be well cleaned and dry and that the self-adhesive glue must be allowed to harden for 24 hours before using the product.

Self-adhesive products are NOT recommended to be installed on wet room wallpaper as plasticizers in the wet room wallpaper adversely affect the adhesive and the product can detach from the wall.

Smedbo products should only be cleaned with a soft cloth and a mild soapy solution. Do not polish.

All Smedbo bathroom series have a 10-year warranty, except OUTLINE LITE Pedal Bins, which have a 5-year warranty.
