

# DESIGNER SERIES REFRIGERATION CONTROLS

Optimized for top performance, your refrigerator's preprogrammed settings will likely not require adjustment. However, if you desire greater control of additional settings, download the Sub-Zero Group Owners' App.

Touch to turn on, hold to turn off. (Hold 10 sec. for Sabbath Mode)

Touch to turn on or off.

Touch to turn on, hold to turn off.

*Prefer a traditional control panel experience? Call Customer Care at 800-222-7820 to opt-in for a replacement when it becomes available.*
