#### WHO TO CALL

##### INSIDE SALES DEPARTMENT

Extranet:

<https://middlebyresidential.shop.commercient.com>

- To place an order for merchandise
- To check merchandise inventory
- For ventilation information
- Questions regarding online ordering
- Questions regarding programs or product features
- Questions regarding care and use

##### PARTS DEPARTMENT

- Phone: 1-800-223-3900 ext.2077
- E-mail: [orderdesk@agamarvel.com](mailto:orderdesk@agamarvel.com)
- To place an order for parts
- To check parts inventory

##### SERVICE DEPARTMENT

- Phone: 1-800-223-3900
- <http://www.aga-ranges.com/service-support/service-locator.aspx>
- Questions regarding service
- Locate local service agency

---

#### WARRANTY

Warranty information is listed with each model number for that particular model.

#### RETURN GOODS

Obtain RMA number prior to return. All return goods subject to a minimum 25% re-stocking fee and return freight prepaid. No return allowed after 30 days of initial shipment. Contact Inside Sales for RMA number.

#### SPECIAL ORDERS

All special order items are non-cancelable, non-returnable.

#### TRAINING

We offer Product Training Seminars in all our regional showroom facilities. We also offer regular training meetings in your store and will be happy to schedule them at your convenience. Please ask your DSM. Service and installation trainings are offered as needed.

# 36" DUAL FUEL RANGE

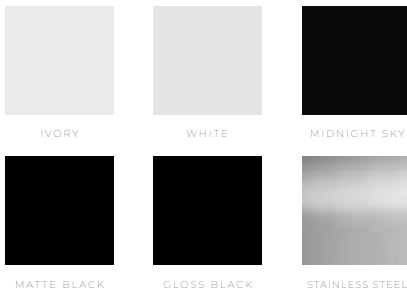

## FEATURES

The AGA Elise 36" Dual Fuel Model features one large multifunction oven with seven settings including true European dual-convection cooking, fan-assisted baking, browning, thaw and serve, convection broiling, warming, and conventional cooking. Solid cast iron grates adjoin to create a continuous cooktop surface above the five powerful sealed-brass burners, allowing for easy cleanup and prevention of messy spills from reaching internal components.

Complimented by stunning new cruciform knobs with knurling, shipped standard in Brushed Nickel, but also available as after-market options in four additional versatile hardware finishes (Polished Chrome, Polished Brass, Polished Copper, and Brushed Brass), the re-imagined AGA Elise 36" Dual Fuel Model confidently steps into the spotlight along side its classic AGA siblings.

## 36" INDUCTION RANGE

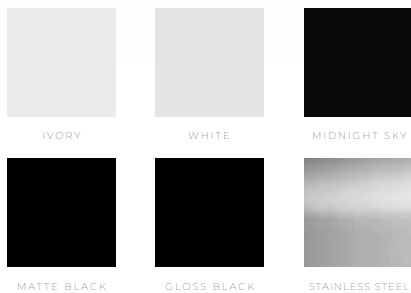

### FEATURES

The AGA Elise 36" Induction Range features one large multifunction oven with seven settings including true European dual-convection cooking, fan-assisted baking, browning, thaw and serve, convection broiling, warming, and conventional cooking. The ceramic glass surface cooktop with five induction burners and integrated capacitive touch controls efficiently utilizes, transfers, and captures 90% of energy generated, as compared to only 55% with that of a traditional gas burner.

Complimented by stunning new cruciform knobs with knurling, shipped standard in Brushed Nickel, but also available as after-market options in four additional versatile hardware finishes (Polished Chrome, Polished Brass, Polished Copper, and Brushed Brass), the re-imagined AGA Elise 36" Induction Model confidently steps into the spotlight along side its classic AGA siblings.

# 48" DUAL FUEL RANGE

## FEATURES

The AGA Elise 48" Dual Fuel Model features three separate ovens. The first is an electric multifunction oven with seven settings including true European dual-convection cooking, fan-assisted baking, browning, thaw and serve, convection broiling, warming, and conventional cooking. A second European convection oven offers the ability to cook multiple large dishes at once using differing heating modes and temperatures, while a third dedicated glide-out broil oven allows for dedicated top-heat broiling. Solid cast iron grates adjoin to create a continuous cooktop surface above the five powerful sealed-brass burners, allowing for easy cleanup and prevention of messy spills from reaching internal components. A storage drawer stores extra racks and trays.

## COLOR FINISHES

# TALL TUB DISHWASHER

## FEATURES

The AGA Elise 24" Built-In Tall Tub Dishwasher features variable pressure washing with three spray arms, sensor monitors to assess the soil level of dishes, and a triple filtration system to remove even the smallest particles all work in harmony to make sure your dishes are clean the first time. Moisture condensates on the cooler stainless steel tank and door and drains to the sump area for quick and efficient drying. Three layers of insulation create one of the quietest dishwashers on the market.

# AGA R7 100

## FEATURES

As part of the 24/7 Radiant Heat collection, the AGA R7 100 models are on all the time, keeping the kitchen cozy and are ready to cook the moment you are. AGA R7 ranges feature a clear, easy-to-use control panel and offer four different oven temperature settings for flexibility and energy saving, including an economy low mode and a high temperature option to provide a boost when you need it. The AGA R7 features three ovens for roasting, baking and simmering. There's also two hotplates which can be switched on and off independently of the ovens, and each other, and heat up in 10 to 12 minutes.

# AGA eR7 100

**FEATURES**

The AGA eR7 100 gives you everything you love about the classic AGA Cast Iron range, but with the ability to turn each cooking area on and off, and the added convenience of touchscreen control to select from a range of cooking temperatures. The three ovens – for roasting, baking and simmering – and two hotplates on the AGA eR7 100 are controlled by a touch-screen panel. Hotplates and ovens can be individually controlled, and for optimal control, there are 5 heat settings for the roasting oven and 4 for the baking oven.

# AGA 24

## FEATURES

At 24" wide, the AGA Classic 24 model is great for small, cozy spaces. The two ovens cook using radiant heat for great results. Plus, as one of our Everyday Radiant Heat models, the AGA 24 is designed to be on when you need it and off when you don't, offering the ultimate in flexibility.

The two semi-rapid burners are especially suited for use with small pans, perfect for gentle simmering or poaching. Independent electric heating elements embedded in each cast-iron oven allow each oven to operate separately and independent from each other. Like all AGA Classic ranges, the cast iron offers radiant, gentle heat to lock in moisture and flavor while keeping the texture and integrity of the food intact.
