

### Compatibility Guide: Elkay Perfect Drain® and Garbage Disposals

Sinks featuring our edgeless Perfect Drain® take function to the next level by eliminating the gap around the drain for a cleaner, more hygienic sink. The disposal models\* listed here have been tested for compatibility with Elkay® stainless steel and quartz sinks featuring Perfect Drain. Use this reference guide to help select a garbage disposal for your Elkay sink with Perfect Drain. See individual sink product listings for more information.

\*Elkay does not endorse disposal models. This guide is intended to aid in the selection of disposals that are compatible with Perfect Drain to avoid damage to products and preserve product warranties.

For more information on Perfect Drain visit: [elkay.com/perfectdrain](http://elkay.com/perfectdrain).

We have a newly created garbage disposer compatibility guide for use with our Perfect Drain® sinks. Use of a disposer from the compatibility list ensures coverage under Elkay's warranty. This compatibility guide can be found on the literature page on [elkay.com](http://elkay.com). A help center article is also available.
