Re: Classic Sales Accessory Transition

Sub-Zero Group would like to provide you with information regarding a change made to the following Classic Series sales accessories. This change affects the orderable part number only, and does not change the parts themselves.

New Item Number	Discontinued Item Number	Description
9044352	9038341	CLASSIC DUAL INSTALLATION KIT WITH 60" LOUVERED GRILLE
9044353	9038340	CLASSIC DUAL INSTALLATION KIT WITH 60" PRO LOUVERED GRILLE

This will be a running change, and orders will transition as the old SKUs are consumed. There will be no change in pricing for these items.

Should you have any questions on this product transition announcement, please contact the Sales Operations Team at SalesOperations@subzero.com.
