## **JENNAIR WALL OVEN TRANSITION UPDATE:**

IN APRIL 2022 JENNAIR UPGRADED ALL SINGLE OVENS, DOUBLE OVENS AND MICROWAVE OVEN COMBINATIONS

NEW PRODUCT MODEL NUMBERS END IN 'LL' OR 'LM'. ANY OPEN ORDER FOR 2021 MODEL (IL, IM) HAS BEEN SUBBED TO NEW PRODUCT. Ex: JMW2430IL becomes JMW2430LL

NEW UNITS REDUCE DOOR GAP FROM 11MM TO 5MM. NEW UNITS, CAN BE FLUSH WITH NO KIT. NO CHANGE IN FEATURES, SPECS, CUTOUTS, ETC.

UNITS HAVE CLEARED PRODUCTION QUALITY CHECK AND ARE BEGINNING TO SHIP TO RDC'S NATIONALLY

## 5: NEW WALL OVEN TRANSITION FROM:TO

- ❑ If you have not already done so, you need to place a new branch PO with the new model numbers.
- ❑ We are honoring your costs from 1/6/22 to now by using quote pricing that is loaded nationally (quote #4002047190). Please submit any transition orders through recon like you would normally with any other quote.
- ❑ If your order has already shipped, you can still claim through recon by submitting it as a credit memo request (reason code PQ2 is for a missed quote going through the branch).
