

EVERYDAY

Novaline Wall Kit in Subway Tile Pattern

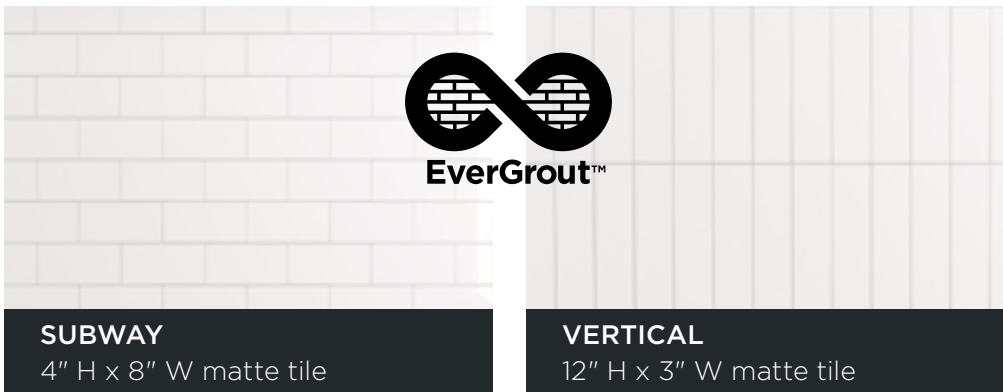

A COMPACT BOX WHERE VERSATILITY MEETS DESIGN

FEATURES

- 4-piece wall set packaged in 1 compact, easy to handle box.
- Box measures 41" x 77" x 3" and weighs approximately 90 pounds.
- Contains almost everything you need for installation, including: panels, tape, trims, trowel tool, shims, and cutting template.*

*Some additional supplies and tools are required.
Please see installation guides for details.

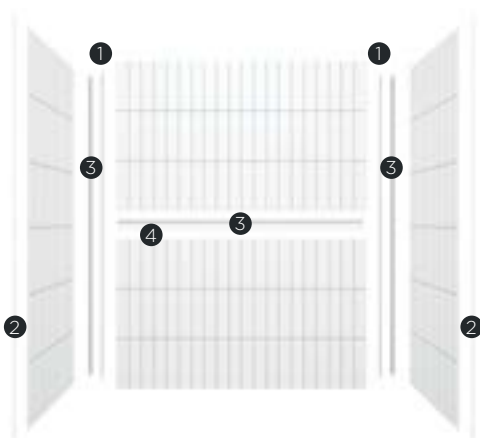

FEATURES AND BENEFITS OF NOVALINE

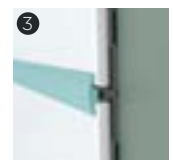

- Versatile height to fit on either an existing or new shower pan or tub.
- Easy to cut or trim to fit any application for a quick installation.
- Wall panels can be installed directly on drywall or over tile.
- Featuring Evergrout™—the first of its kind—realistic, textured groutlines that will last a lifetime without any maintenance.
