

15" CLEAR ICE MACHINE

Available with stainless steel, custom color and overlay panel ready doors.

WHY
CHOOSE
TRUE

1 PERFORMANCE

- Produces an industry-leading **85 lbs. of clear ice per day** – 22% more than previous model.
- **Crystal clear, large top hat shaped ice** that takes longer to melt.
- **Environmentally friendly, R290 hydrocarbon refrigerant** improves performance and efficiency.
- **Exclusive True MagnaScoop™** affixes magnetically on inside door, ensuring you'll never lose your scoop.
- **At 21 gallons/100lbs**, water usage is 30-60% less than comparable models.

2 CAPACITY

- **Bin storage capacity of 28lbs.**
- **Ice load laser sensor that monitors bin level** and allows for bin level regulation – accommodating 50%, 65%, 70%, 85%, 90% bin capacity.
- **Built in water filter** rated up to 1250 gallons.

3 SUPERIOR FINISH

- **300-Series commercial-grade stainless steel on door panel and grill** is durable and easy to clean.
- **Patented TruLumina® LED lighting** gently illuminates your ice and allows you to choose from **14 different color options** with the push of a button.

4 DESIGN FLEXIBILITY

- **UL rated** for both indoor and outdoor use.
- **Articulating, soft close hinge** allows fully integrated, flexible installations.
- The Build Your True program allows **a choice of 66 unique color combinations**, including hues such as Ultra Matte Black, Juniper, Sage, Matte White and more.

- Pair it with a **True Undercounter Refrigerator, Refrigerator Drawer, Beverage Center, Freezer, Freezer Drawers, Wine Cabinet or Beverage Dispenser**, to create the ultimate refreshment station, home bar, or outdoor kitchen.

5 INDUSTRY LEADING WARRANTY

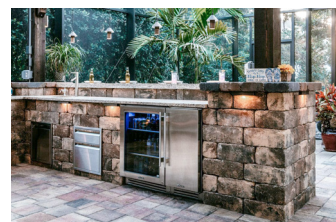

- **Full 3-year warranty** on the entire cabinet.
- **6-year parts & labor** on the sealed system.

Exclusive True MagnaScoop™ affixes magnetically inside the door.

Produces up to 85 lbs of ice per day with 28 lbs storage capacity.

UL rated for outdoor use.
