SIDLER[®] International Ltd.

THE COMPANY

INNOVATIVE & DECORATIVE DESIGN SOLUTIONS FOR YOUR BATHROOM!

SIDLER® International Ltd. Mirrored Medicine Cabinets embody Swiss quality design with the details and innovation of a high luxury product. The 'Swiss' standard of craftsmanship and design is the approach in the manufacturing of our collection, making SIDLER® one of the largest manufacturers of mirrored medicine cabinets in Switzerland.

With over 60 years of dedication and perseverance, SIDLER® Mirrored Medicine Cabinets can be best described in Swiss German as Leidenschaft; which means passion.

Leidenschaft is abundant in each of the dedicated individuals of the SIDLER® team who play a role in creating our high quality crated, innovative and luxurious mirrored medicine cabinets. SIDLER®'s continued dedication and passion is evident in the love of detail, practical and functional design, innovation and quality.

SIDLER® Mirrored Medicine Cabinets' luxury design is light, airy, atmospheric and high quality offering practical storage solutions, making it a consumer market leader in Switzerland and North America. Our elegant, customized designs combine modern simplicity, and authenticity to create a unique design aesthetic to fit and compliment any home or building development project.

Embrace the excitement of SIDLER® Mirrored Medicine Cabinets as your preferred luxury design solution!

THE COLLECTION

DIAMANDO™ LED

STREAMLINED DESIGN WITH LED ILLUMINATION!

The SIDLER® Diamando™ LED collection is a fusion between the LED Collection and the traditional Diamando.

It's design and functionality is elevated with this combination, allowing you to enjoy all the features from our classic cabinet designs with the added functionality and brilliant ambience of energy efficient LED lighting.

With its SilverLasting™ double-sided mirror door and an interior mirrored back wall; the SIDLER® Diamando™ LED embodies contemporary design and provides a sleek addition into any bathroom design.

Seamless LED light technology solves the problem of visible dots and illuminates a clear, pure and unbroken light stream. The SIDLER® Diamando™ LED comes in a variety of sizes and door configurations to create your own 'functional luxury' bathroom.

Swiss design redefines the mirrored medicine cabinet with the Diamando™ LED!

Design Your Own Cabinet With The Custom Configurator

MODELLO

THIS IS A 'DESIGN YOUR OWN' CUSTOMIZABLE CABINET!

The Modello collection from SIDLER® is our most adaptable cabinet for a personalized design solution. It is a standard SIDLER® mirrored medicine cabinet with a twist!

SIDLER®'s Modello is modular where it can be customized to create a bathroom cabinet 'your own way' by using the 'Custom Cabinet Creator' located on SIDLER®'s website. Adjust the height, width, depth, door configuration to suit your taste and bathroom size. Also, add an electrical outlet or illuminate your bathroom by adding vertical LED lights to your Modello cabinet.

It features an anodized aluminum body including a mirrored back wall. This cabinet includes Blum® soft-close hinges, SilverLasting™ double-sided mirror door, distortion-free mirrors and adjustable glass shelves.

And best of all, this creative and versatile innovation from SIDLER® starts at an affordable price.

Left and right opening door options

QUADRO

ATMOSPHERIC ILLUMINATION PAIRED WITH TECHNICAL FINESSE!

SIDLER® Quadro's 45° light frames the mirrored cabinet creating a floating, glowing ambient light effect and also, illuminates throughout the entire bathroom. And when the cabinet is recessed mounted, this effect is even more noticeable and stunning!

Offers practical solutions with the integrated night light! The SIDLER® Quadro features an integrated, dimmable night light with an easy access switch located inside the cabinet right next to the GFCI outlet and USB port.

It's easy on the eyes while, providing optimum LED light of CRI>90 with natural colour illumination. The lighting is complimented with the standard mirrored back wall interior for that finished 'SIDLER" touch.

SINGLA

INNOVATIVE SIMPLICITY AT ITS FINEST!

The SIDLER® Singla collection is the perfection of simplicity as a non-electrical and non-lit mirrored medicine cabinet.

With its practical and understated elegance, it can be recessed into even the smallest bathroom; making it the perfect choice for those needing a compact bathroom solution.

The SIDLER® Singla emphasizes simplicity, beauty and functionality at an unexpected price point. This collection offers the SIDLER® soft-close double-sided, distortion-free SilverLasting™ mirror door, adjustable shelf system, cosmetic box, and magnifying mirror.

All of these features and options together create a modern design aesthetic to make this your must-have mirrored cabinet to compliment your bathroom.

TALL

A VERSATILE FULL-LENGTH VIEW OF A CLEAR REFLECTION!

Your perfect morning begins with a daily ritual of experiencing luxury in the reflection of the SIDLER® Tall collection.

The SIDLER® Tall is modern, elegant and one of our most versatile mirrored medicine cabinets. Its versatility is a standout feature where it can be surface or recess mounted in a bathroom, a bedroom or bedroom closet, a hallway or in commercial developments such as a hair salon or beauty medical spa.

With its double-sided distortion free mirror and SilverLasting™, you will see a clear reflection without desilvering. An addition of a styling shelf and adjustable glass shelves, allow you to personalize your interior.

The SIDLER® Tall is an all-around mirrored medicine cabinet that enhances your home with both design and versatile functionality.

XAMO

A CONTEMPORARY DESIGN WITH MODERN FUNCTIONALITY!

The SIDLER® Xamo embodies the functionality of modern convenience combined with contemporary design.

It has been implemented with its own innovative, proprietary flange component (SCU), which guarantees a finished edge when recessed. The Xamo utilizes SIDLERS®'s own proprietary LED's with an index of CRI≥90 to brighten and sharpen your reflection.

Its modern functionality is showcased by its sleek, dimmable light design for optimum bathroom illumination. The interior light cover illuminates the interior and finishes it with seamless design and functionality.

SIDLER® Xamo is a perfect design functionality solution for your bathroom!
