

THE FOODIE[®] KITCHEN FAUCET

Savory Style, Sweet Performance

- High arch design and spring-action spray wand offer commercial kitchen appeal and performance that's right at home
- 360-degree swivel spout allows faucet to rotate outside of sink area to ease pot-filling tasks without spills
- Dual-function sprayhead with toggle button holds either single, steady stream or powerful spray options to tackle heavy-duty cleaning tasks
- Durable ceramic disc valve offers drip-free performance and provides smooth handle operation
- Optional cover plate can be used to hide extra deck holes from previous three-hole installations

GERBER[®]

THE FOODIE®

Savory Style, Sweet Performance

Bring a bit of commercial flair to your home kitchen with The Foodie® pre-rinse kitchen faucet. Incorporating a clean, minimalist style, this faucet borrows elements from professional kitchens, such as a spring-action spray wand that offers extra reach for rinsing and cleaning tasks. The sprayhead's integrated toggle button switches the flow into either spray or stream settings. The faucet's industrial yet polished design melds perfectly into any home kitchen. Precision engineered for long-lasting functionality and smooth, worry-free operation, The Foodie pre-rinse kitchen faucet is designed with the home in mind. Whether you're preparing an elaborate feast or an after-school snack, The Foodie can dish out whatever you need!
