RE: Discontinuation of Concrete Gray

Dear valued BLANCO Customers,

Effective immediately, BLANCO will discontinue Concrete Gray Silgranit kitchen sinks, faucets, drains, and soap dispensers. This move is required to make room for our 2 new exciting on trend colors that will be available in the 1st QTR of 2023. Details on these new colors, price changes, and other new products will be made available later in November.

BLANCO is committed to fulfilling all existing orders already in-house and for any remaining requirements on these colors, **please ensure orders are placed by no later than Nov 15th**. Beyond that date, inventory will be limited to what remains in stock and will become available on a first come, first serve basis.

To place orders, please submit a new purchase order to orders@blancoamerica.com. For any additional questions please contact us at customerservice@blancoamerica.com.

We sincerely apologize for the abrupt nature of this notice and any inconvenience it may or will cause.

We thank you for your continued support of the BLANCO brand, and we look forward to continued partnership in the future.

Best Regards,

Tim Maicher
