FULL SIZE

TALL HANDLE FOR ADJACENT RBF INSTALLS

- Handle is same length as standard handle - this is in reference to the placement of the handle.
- If a TR-30/36 column or TR-42/48 side-by-side will be directly adjacent to a TR-36/30RBF model, then we recommend that the customer purchase the other column with a “T” handle so it is in a higher placement on the door to be in line with the TR-36/30RBF model.
- Must be work ordered

THIS CODE WILL GO AFTER THE HARDWARE CODE

– Example:

– TR-30BEV-R-SG-C~H01T

BEFORE

AFTER

FULL SIZE

90-DEGREE DOOR STOP

- Available for:
 - All Full Size Products
- Standard door stop position is 120-degrees
- Should be added at time of order, however can be added in the field

R = RIGHT HINGE; L = LEFT HINGE; B = BOTH

THIS CODE WILL GO IN FRONT OF THE HARDWARE CODE AND WILL REPLACE THE 'H'

- Example:
 - Brass hardware with a 90-degree door stop
 - TR-30REF-R-SG-C~**R01**
 - TR-30REF-L-SG-C~**L01**
 - TR-42SBS-SS-B~**B01**

SIDE-BY-SIDES CAN ALSO HAVE A RIGHT OR LEFT 90-DEGREE DOOR STOP AND THE OPPOSITE DOOR AS STANDARD

- Example:
 - TR-42SBS-SS-B~**L01** (left door is 90-degree door stop; right door is standard swing)

COLUMNS

OPTIONAL LOCK

-
- Available for:
 - 30" Dual Zone Wine Column
 - 30" Beverage Column
 - Must be added at time of order, factory install only
 - Can match finish or hardware

TR-30BEV-R-SG-A-029K-H01

'K' WILL NOTATE LOCK IN NOMENCLATURE

IF LOCK MATCHES THE COLOR FINISH:

- The color code will be followed with K:
 - Example: **SAGE - 029K**

IF LOCK MATCHES THE HARDWARE FINISH:

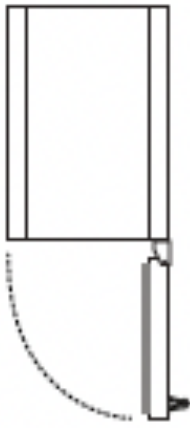

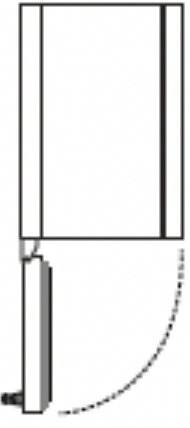

- The hardware code will be followed with K:
 - Example: **BRASS - H01K**
