

ELKAY

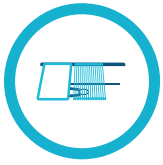

Crosstown® Stainless Steel Workstation Sink

Everything and the Kitchen Sink. That's Elkay.

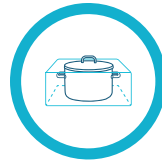

The Crosstown® Workstation sink accommodates custom-sized accessories that let you work directly over the sink, so you can go from prep to cleaning up in seconds.

Workstation Ledge

Slide accessories along the built-in ledge to maximize your kitchen space and streamline kitchen tasks. Accessories transform your sink into your ideal workstation.

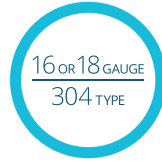

Go Deep For Less Mess

High-capacity, deep bowls offer more room inside for stacking dishes, filling stockpots, and handling large baking sheets and roasters.

Easy-to-clean Corners

Slightly rounded 15 mm corners are easy to clean and add more space in the bowl.

Durable

16- or 18-gauge thickness Type 304 stainless steel for lasting strength, performance and beauty.

Workstation Accessories

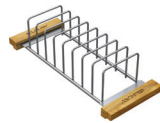

Cutting board, wood-handled colander, roll-up drying rack, drain and grid are included with all workstation sinks.

Cutting Board

Wood-handled Colander

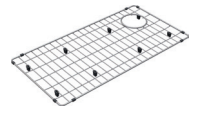

Wood-handled Drying Rack

Roll-up Drying Rack

Deep Strainer Drain

Bottom Grid (sizes vary)

*Wood-handled drying rack not included with this workstation sink.

Reserve Selection

Reserve Selection is a handpicked assortment of sinks sold exclusively through Elkay traditional wholesale distribution partners and their showrooms. Sinks are available in-store and online.

Farmhouse Style

Add a stylish design element to your kitchen when you choose a Crosstown farmhouse sink. The material extends to the front panel of the sink, making the apron front the shining star of the kitchen.
