

The All-New Bosch Dishwashers Are Here

Meet the latest advancements in dishwashing technology.

The deepest clean with PowerControl™.

PrecisionWash® technology is featured on every Bosch dishwasher and uses intelligent sensors to assess soil levels and scan progress throughout your cycle.

PowerControl™ spray arm enhances **PrecisionWash®** performance by allowing you to select which areas get a targeted clean—no matter where you load your dishes. So even your most challenging dishes get the deepest clean possible.

Say hello to a whole new level of dry.

Bosch offers a range of energy efficient, advanced drying technologies.

PureDry® is our core drying system that delivers simply clean and dry dishes.

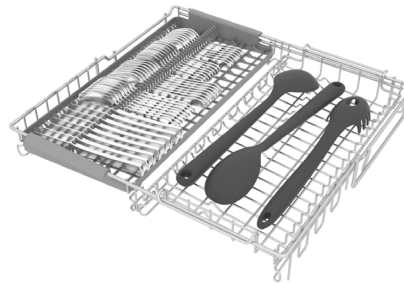

AutoAir® automatically opens the door at the end of the drying cycle allowing moisture to escape and fresh air to circulate for even drier dishes.

CrystalDry™ transforms moisture into heat for the ultimate dry – including plastics.

Ultra sleek and streamlined exteriors.

All-new modernized designs with sleek door handles, streamlined touch control panels, and anti-fingerprint stainless steel on all series.

Get even more flexibility and capacity with Smart Load rack.

This 3rd rack features removable, portable inserts with ample capacity for both silverware and deeper items, making loading and unloading a breeze

Enhance your experience through wi-fi and Home Connect®

Smart Cycle takes the guesswork out of cycle selection by quickly helping you identify and save the best program combination for your needs. Now you can clean smarter, not harder – only with Home Connect.
