ICE FOR THE PURIST®

UNIQUENESS: Hard, crystal-clear ice cubes are odorless, tasteless, and practically mineral-free with a distinctive form.

ADVANTAGES: Melts slower-won't dilute the drink as fast.

POPULAR USES: Perfect for premium, mixed drinks, or for elevating any beverage occasion into something special.

Brilliance® Cuber—SCC50

- Production Capacity: 65 lbs. in 24 hrs.
- 24 cubes at a time
- Electronic Controls
- LED Interior Light
- Patented Auto Purge System
- Pump or Gravity Drain
- Indoor or Outdoor models available
- Accommodates a custom or Stainless Steel panel

Brilliance® Nugget—SCN60

- Production Capacity: 60lbs. in 24 hrs.
- Uses 40% less energy and more than 50% less water than stand-alone, dedicated ice machines
- Lighted bin
- Concealed hinge system
- Stainless Steel or custom panel models
- Indoor/Outdoor approved
- Pump or Gravity Drain

THE ORIGINAL CHEWABLE ICE®

UNIQUENESS: Soft, compacted ice in classic nugget form.

ADVANTAGES: Easy to chew, fun to crunch, absorb flavors of beverages, cools beverages quickly.

POPULAR USES: Perfect for soft or blended drinks, smoothies, food displays and whenever you're feeling a little crunchy.

All cabinets are stainless steel and 15" wide with 26lb. ice storage and field reversible doors.

DESIGNED, ENGINEERED & MANUFACTURED IN THE USA

At Scotsman, our quality story begins with our machines being proudly designed, engineered and assembled in our award-winning manufacturing facility in South Carolina. It continues with 100% of our units making ice before leaving the plant and our pride to have been named as one of the top manufacturers in the USA by Industry Week Magazine.
