WHERE TO BUY

But for right now, they are only compatible with the following BRIZO drains:

- RP72411 (all finishes)
- RP72412 (all finishes)
- RP72413 (all finishes)
- RP72414 (all finishes)

ETA Summer of 2024, an extension RP will be launched to work with the Delta drains to make those compatible with the Delta Bottle Traps.

Until then, if ordering Delta bottle traps, please order Brizo corresponding drains until the extension RP is launched. Thank you!
