

PRESRV™ CORE PRO DESIGNER BRISAS BY ZEPHYR

**ZEPHYR**

Price Guide  
January, 2024

**ALMO**<sup>®</sup>  
Premium Appliances

**Why Choose Presrv™?**

**Reversible Door with Concealed, Zero-Clearance Hinge**

Simple and EASY to reverse, Zero Clearance hinges so all units install in a 24” opening with the Integrated Lock. Dual-pane, argon-filled glass improves insulation to minimize heat exchange and increases soundproofing characteristics.

Reversible Door

**304 Stainless Steel Door and Handle with Low E Glass**

**33 7/8” Minimum Height**

All under-counter beverage and wine models install under any standard countertop. ADA-compliant are models available that are less than 32” height.

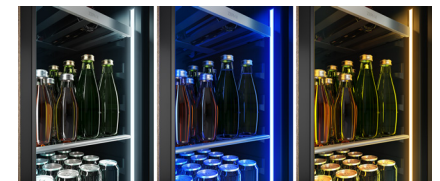

**PreciseTemp™**

Multiple internal sensors maintain accurate temperatures. Active Cooling Technology – onboard computer controls activate cooling fans to provide temperature stability and even cooling as low as 34 degrees.

**High Quality Compressor**

Ultra-Quiet – as low as 38db. Vibration Dampening System. Beverage Centers are DoE, ENERGY STAR and Star-K approved.

**3-Color, 4-Level, LED Light Strips in Cloud White, Deep Blue, and Amber**

**Designed with the BEST Usable Storage**

- o Retractable quarter-shelf for taller bottles
- o Full-extension, black wood rack with stainless steel trim
- o Mix & match all your favorite varieties
  - Up to 3-1/2” diameter bottles.
  - Large Diameter 7-Bottle Rack for pinot noir, chardonnay, and champagne

**High Quality Handle Options**

Professional - Brushed Gold or Matte Black Overlay

**Warranty**

2 Year labor / 2 Years parts / 5 Years compressor

## Why Choose Zephyr?

### Leader in Technology and Innovation

#### Highest Quality Components for Reliability and Ease of Use:

Zephyr uses high quality stainless steel that is welded and polished so there are no sharp edges or seams.

#### Quietest Hoods in the Industry:

Zephyr ventilation products are quieter than any other hood in the industry, as low as .5 sones (a soft whisper); they also offer the quietest blower in the industry with the PowerWave™. Aerodynamically designed fan blades “scoop” the air, not slap the air, and industry leading 1300 cfm internal blower when paired with optional secondary blower.

#### LumiLight™ LED Lighting:

25,000-hour life lasts ten times longer than halogen; ultra-efficient 3,000k (kelvins) create warm natural light; and a 3-year warranty.

#### ACT™ - Airflow Control Technology:

Allows installers to quickly and easily adjust the maximum cfm to meet local cfm codes. 92% of Zephyr hoods have ACT™.

#### Proximity Touch Controls:

Controls illuminate when approached, with an easy-to-clean glass surface.

#### Zephyr Connect Technology

#### ADA Compliant - RF Wireless Remote

#### Duct Extensions Available up to 12' Ceilings

Out of the box, Zephyr chimney wall and island hoods adjust up to 10' ceilings.

#### Wide Selection of Models

Zephyr offers a design and solution to your kitchen needs no matter what your style. They offer versatile outdoor options for any application.

#### Exceptional Value Along with Product Support & Service

Zephyr offers exceptional pricing from standard to semi-custom designer hoods. They also offer 3-year parts and 1-year warranty on most models. Up to a 10-year warranty on select models and outstanding after-sale support.

#### Zephyr Ventilation Fast Facts

92% of Zephyr hoods have ACT™ - the most in the industry.

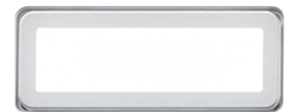

60% of Zephyr hoods have vertical and horizontal ducting options.

90% of Zephyr hoods include recirculating option.

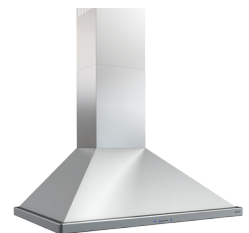

70% of Zephyr hoods can be ADA-compliant with optional remote control.

**DID YOU KNOW** The Full Size Beverage Coolers and Full Size Wine & Beverage Cooler come standard with an inverter compressor so they can now achieve an ultra-low temperature of 34°F. An inverter compressor uses a BLDC motor to achieve lower temperatures while using less energy and performing more quietly than a fixed speed compressor.

Door Finish: 304-grade Stainless Steel + Glass, Panel-Ready + Glass. Cabinet Finish: Black. Interior Finish: Black  
Warranty: 2 years non-consumable parts, 2 years labor, 5 years compressor

**DID YOU KNOW** Our ADA models are less than 32" in height making them ADA-compliant.

**Shared Features**

**34° PreciseTemp™**  
Multiple internal sensors help maintain accurate temperatures.

**Active Cooling Technology**  
An on-board computer controls an active cooling fan to provide temperature stability and even cooling.

**Dual-Pane, Low-e, Argon-Filled Glass**  
Improves insulation to minimize heat exchange and increases soundproofing characteristics.

**3-Color LED Lighting**  
LED lighting in Cloud White, Deep Blue and Amber.

**Vibration Dampening System**  
Noise and vibration is reduced to minimize wine disturbance.

**Zephyr Warranty**  
We back our products with a generous 2 year parts and labor warranty along with a 5 year warranty on the compressor.

Door Finish: 304-grade Stainless Steel + Glass Cabinet Finish: Black. Interior Finish: Black  
Warranty: 2 years non-consumable parts, 2 years labor, 5 years compressor
