

ROHL®

MISCELO™ BATH COLLECTION

Miscelo means to mix or blend, and the Miscelo Collection encourages mixing, matching, and experimenting with shade and surface. Italian designer Nilo Gioacchini started with a sleek, minimal look, then added a touch of drama that offers a multitude of faucet variations. Select from five accents in different hues and textures to top the Miscelo neck and handle. Options expand further with a choice of finishes to create a bespoke look that's uniquely personal. Miscelo brings eye-catching accents to the bathroom, for flair with imagination and panache.
