TENERIFE™ BATH COLLECTION

The symbol of the tranquil Canary Islands is a majestic palm tree, reaching as much as 65 feet, with a crown of leaves spanning all around. Tenerife, the largest of the islands, is host to the majority of these exotic, native palms. The Tenerife™ Bath Collection captures their tropical beauty through intricate details. The fine crosshatching that adorns the handles and base mirrors the lush diamond shape on the palm's trunk. Circular accents on the spout complement the striking effect. Tenerife captures the feeling of a faraway isle in a physical form.
