VIAGGIO® BATH COLLECTION

Tuscany, with its rolling hills and rows of cypress trees, has long been a traveler's destination. And the best way to experience Tuscany is in an Italian villa. The Viaggio® Bath Collection emulates faucet designs found in the classic homes of the Tuscan countryside. Viaggio, which means to travel, has soft, sensual shapes, a graceful curve of the spout, and finessed detailing on the base and handles. With an Old World sensibility that's forever timeless, Viaggio is for those who yearn to travel to the past while staying present.
