ALLIA™ KITCHEN COLLECTION

Since 1892, Allia™ fine fireclay sinks have been crafted in Limoges, the region celebrated for exemplary porcelain. It is in this part of France where clay is remarkably durable and richly lustrous. Each Allia sink is covered with a thick layer of luminous glaze, which fuses with the clay to provide an extremely strong surface combined with a resplendent sheen. Impervious to stains and chips, Allia sinks are as easy to maintain as they are beautiful to behold. Our range of shapes and styles give pure functionality a high-gloss tone.
