

# LANCASTER™ KITCHEN COLLECTION

This is the original, the one that's set the standard for all fireclay farmhouse sinks with the classic apron front design. The Lancaster™ is made by hand in the same way since 1897 and still in use today in 100-year old English homes. Named for the county of Lancashire, the region where Shaws® are made, the Lancaster has thicker walls and a lustrous surface that's glazed not once, but twice. Durable, distinctive, authentic, the Lancaster is for those who seek an original and believe that making a statement is one they make for themselves.
