Dear Valued BLANCO Customer,

We are excited to share that the launches of our 3 newest colors Coal Black, Volcano Gray and Soft White have been very successful. These matte finishes have been well-received by homeowners, designers, and builders alike, reflecting the ongoing trend in design.

As part of our commitment to innovation, we regularly evaluate our offering for coinciding or contradictory designs. After careful consideration, we have decided to discontinue Metallic Gray for SILGRANIT Sinks, Color-Matched Faucets and Accessories, effective August 1st, 2024. This means that all Metallic Gray SKUs will no longer be UMAPP protected.

To facilitate a smooth transition, we will continue accepting orders for Metallic Gray Sinks until the end of October. Faucets will remain available for order until stock is depleted.

Rest assured, we understand that change can be challenging. In late July, we will send out another announcement to provide further details. Should you have any questions or need assistance, please feel free to reach out to your Regional Sales Manager.

Thank you for your continued partnership, and we appreciate your understanding during this transition.

Best Regards,

Diana Windsor
