AN ECLECTIC TAKE ON VINTAGE CHARM

The new Smyth pull-down kitchen faucet collection flaunts its eclectic, traditional style while mixing vintage design and contemporary functionality in the kitchen. Available as a pull-down faucet, Smart Faucet, *MotionSense Wave*™ faucet, and pull-down bar faucet, the collection allows you to embrace modern innovation with a classic design. With various finishes available, including the new LifeShine Bronzed Gold, a versatile, relaxed gold hue that brings a touch of timelessness to a space, Smyth can adapt well to many design aesthetics. It makes a refined style statement.

NEW | LifeShine Bronzed Gold is a new finish for 2024.
