

## How to request Dealer Portal access.

- Go to Calfaucets.com
- Click on the Dealer Login link in the upper right corner

## Welcome Dealers

Please [create a new account](#) if you have not logged in since 11/15/2019

A screenshot of the Dealer Login form. It contains an 'Email' field with 'lisa@calfaucets.com', a 'Password' field with masked characters, and a 'Log In' button. Below the button are links for 'Forgot Password?' and 'Create a dealer account? Sign up'. A yellow hand-drawn circle highlights the 'Log In' button and the links below it.

- Click on the Log In button

### Shipped Data

SKU	Product Description	ShippedQty	Shipped Date	Tracking Number
-----	---------------------	------------	--------------	-----------------

- Enter the purchase order number exactly as it appears on the purchase order
- Click Lookup order button
  - If the order is found, the details will appear below.
  - If any lines on the order are in process, the Estimated Ship Date will appear in Earliest Ship Date field.
  - If the line has shipped, linked tracking information for any shipped lines will appear below in the Shipped Date section. If you click on the link, the carrier's tracking webpage will open and take you directly to the tracking status for that line.
- The tool is updated twice a day. If your PO was placed that morning, the tool might not have status until the next morning
- Order status is available for all orders on a rolling 12-month period.
- If you cannot find your order, please verify the PO number. If you still cannot find it, please contact customer service at 800.822.8855 for assistance
- Showroom customers can only verify orders associated with their showroom/ company.
