575 Cokato Street East | Cokato, Minnesota 55321

Terms & Conditions

Payment Terms:

I. ACH Payments - ACH orders will be charged prior to going into production.

II. Net 30 Days upon approved credit application

1-1/2% per month service charge, or 18% annum on all overdue balances. An account not current will revert to C.O.D.

III. Credit Card - A 3.85% convenience fee will be applied & charged at the time of invoice.

Credit Card orders will be charged prior to going into productions.

Prices: All prices are F.C.A. Cokato, Minnesota 55321 unless otherwise noted. Customers are subject to all taxes that apply. Prices do not include taxes. All prices, terms, specifications and policies are subject to change without notice.

Returns: The Returned Goods Authorization (RGA) form must be obtained from Helo/Sauna360 before any material may be returned. Date of original purchase and invoice number, as well as exact reason for returning, must be included in the request. All returned material is to be sent Freight Prepaid and is subject to a 15% restocking fee. Only merchandise of current standard design will be considered for return and must be accompanied by an approved RGA.

Damage/Shortage Claims: A Freight Damage form must be submitted for goods damaged or lost in transit. Please inspect your goods while unloading the shipment, and accept the shipment (this allows Sauna360 to assist you in processing a request for replacement items). When signing the bill of lading, indicate any possible damage. Please reference the Freight Policy for additional instruction.

Warranty: All warranties are limited in nature. In general, these are restricted to replacement of any defective item or repair at the "Sauna360 Factory Service Center". Please advise us immediately, in writing, of any warranty claims. Those items sold by Sauna360 Inc, but manufactured by others, are subject to their respective manufacturer's warranty and policy. In no event shall Sauna360 Inc be responsible for resulting or consequential damages or costs.

Product Liability: The buyer acknowledges that the goods sold to them by Helo/Sauna360 can cause property damage and personal injury if not properly sized, handled, or installed. The buyer further agrees to indemnify and hold harmless Sauna360 from any or all claims for damage, loss, and/or liability arising out of improper handling, sizing, and/or installation of goods.

Due to the constantly fluctuating lumber market, **sauna room prices are subject to change** without notice.

Price quotes documented by Helo/Sauna360's corporate office will be honored for 30 days.

Custom (Permanently-Installed) Sauna Estimator

All Custom (permanently-installed) sauna packages include: Clear Western Red Cedar tongue-and-groove for interior walls and ceiling (alternative option: Hemlock), pre-built benches, pre-hung all-glass bronze-tinted 24"x80" door, Cedar duckboard for walk area, headrest(s), heating system, sliding vent valve, two vent grills, foil vapor barrier, and hardware package.

Please see pages 6-7 for additional Window and Door Options.

Additional Custom Sauna Design Notes

ALL SAUNAS:

- (1) Single-tier benching is not available in any Custom Permanently Installed room, for performance reasons.
- (2) For door jamb widths greater than 5.5" (up to 11"), add \$450.
- (3) Standard custom rooms include door trim, and 4 pieces of interior corner and cove trim. Additional trim must be ordered separately, for an additional charge.
- (4) Exterior trim and wall boards can be purchased separately.

TRADITIONAL SAUNAS:

- (5) Minimum interior ceiling height (floor-to-ceiling joist) = 75"-78" (dep. on heater type & size)
- (6) Maximum interior ceiling height = 96"

IR/IS SAUNAS:

- (7) ALL IR-only & IS Permanently Installed rooms must be between 81" and 84" in height for optimal IR emitter panel performance reasons.
- (8) Maximum room size for IR & IS rooms is 425 cubic feet.
- (9) Backrests are not available with infrared or infrasauna rooms.

Panel-Built (Freestanding) Saunas

Panel-Built freestanding sauna packages include: Clear Western Red Cedar interior & exterior (*alternative option: Hemlock*), pre-built benches assembled from the bottom w/stainless steel screws, matching wood 2-bar backrest for each top bench, heater & control package, in-backrest LED RGBW lighting, all-glass clear door (24" x 72" for most rooms) pre-hung into one wall panel, matching wood heater guard, bucket and ladle, duckboard for walk area, corner and cove molding, sliding vent valve, built-in vent grills, and hardware package. | Any room upgrades are an additional charge; see chart below.

Panel-built saunas should not be used in commercial applications or where there are ADA compliance requirements for the room.

Model	Size (O.D) <i>l x w x h</i>	Internal Cu. Ft.	Designer SL2	
			<i>Cedar</i>	<i>Hemlock</i>

PB 78	7' x 8' x 7'	349	\$ 23,571.00	\$ 20,121.00

Misc. Pricing Notes:

- Plywood Exterior: deduct \$24 per lineal foot of Luan wall / deduct \$30 per lineal foot of OSB plywood
- 7x8 is the largest panel-built sauna size available.
- Pricing above reflects saunas' w/84" height. Minimum ceiling height = 78" | Maximum sauna height = 96"

Panel-Built (Freestanding) Saunas are only available with a traditional heater. Infrared and InfraSaunas are no longer available as a freestanding sauna.

Room Upgrades

* 480v 3-Phase Magma heaters only require a **single** CB 17-3 contactor box.

Heaters and Controls, cont.

EXTERNAL ON/OFF SWITCH

The external On/Off Switch allows sauna users to turn the unit on or off at the sauna. This enables the SL2-C or H3 control to be mounted remotely, away from sauna user access. This ensures the pre-programmed settings of the main control are inaccessible by the general public and can only be changed by approved personnel.

Part #	Description	List Price
9208-107	On/Off Switch for CB17-1/3 with Pro & Magma heaters	\$ 286.00

WOOD BURNING HEATERS

Sauna stoves with rocks, removable ash pan included.
