

Not All Tubs Are Created Equal

Discover the Coachella, a new freestanding bathtub from Hydro Systems, the leader in luxury American-made hydrotherapy solutions. Coachella presents a hydrotherapy experience so transformative that it will redefine your whole idea of bathing. Wellness options such as Cold Plunge, Hydro Indulge, Hydro Fusion and Thermal Air are seamlessly integrated into an elegant wing-like silhouette. Comfort is maximized with dual lumbar support and an impressive 26-degree back slope. Crafted from premium, highly durable solid surface HydroLuxe SST™ material and available in 15 stunning color options, the Coachella tub exemplifies American craftsmanship and design excellence to the highest degree.
