Dishwashers: ADA Model Launch & Standard Model Change

As part of their commitment to delivering exceptional products, the Sub-Zero Group, Inc. is excited to share the updates below regarding the Cove dishwasher product line. These details support both the transition of Standard Height models and the introduction of the ADA Height models and their new Energy Star rating.

DISCONTINUED (SKU) ITEM	DISCONTINUED MODEL	NEW (SKU) ITEM	NEW MODEL	MODEL DESCRIPTION

		9052912	9052912	60 cm ADA Height Door Panel—Pro Handle
		9052911	9052911	60 cm ADA Height Door Panel—Tubular Handle

Order Management and Transition

Standard Height Models:

- Ordering in COMNet: current standard models will end **Tuesday, March 4, 2025 at 5pm**. New standard models are now active.
- Some existing orders may be converted to new models on March 5 and updated order reports will be made available for review on **March 6**.
- A short-term delay due to new product availability is anticipated and is estimated with an 8-week lead time for new orders.

ADA Height Models:

- Now available to order in COMNet.
- New product orders will begin with an estimated 4-week lead time.

The internal teams will be executing the transition efforts this week. This includes updating existing orders and all promise dates to reflect the impact of this transition. These transition efforts will be complete by the end of day, March 6, 2025.

Marketing and Supporting Materials

- Website: Product Detail and Accessory Pages are live; Reveal specifications are now available.
- An Energy Star-Rated Sheet is attached.

Energy Star-Rated Dishwashers

What a dishwasher should be: nearly silent, energy-efficient, and intuitive. Cove's latest models—in both standard and ADA heights—feature a wash system that leaves every dish sparkling clean and dry.

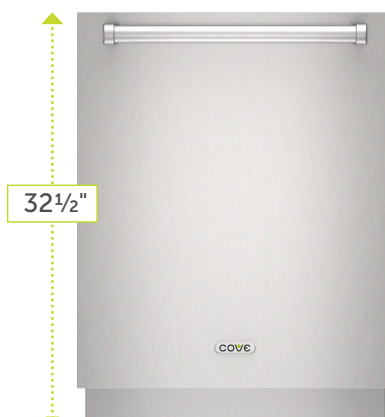

NEW Standard Height

DW2451
DW2451WS - Water Softener

W 23 5/8" x H 34 1/2" x D 23 1/4"

NEW ADA Height

DW2451/ADA
DW2451WS/ADA - Water Softener

W 23 5/8" x H 32 1/2" x D 23 1/4"

DESIGN FLEXIBILITY

ADA-height models accommodate new kitchens and renovations; stainless or panel-ready versions, with handles or handleless, complement any décor.
