THE ALL NEW
DESIGNER-CURATED

COLOR

COLLECTION

While the stainless steel finish of the Viking Range will always be in style, this new designer-curated palette of 18 rich hues embody quiet luxury and bold individualism. Hues such as Squall and Nantucket exude timeless East Coast sophistication without ostentation while Valentine and Blush will spark a kitchen crush. Classical subdued hues including Nantucket and Martini will transform your kitchen into a refined showplace at once both graceful and warm. Bold touches in Slate Blue or Daffodil belie an exuberance for vibrant style. And because minimalist designs are anchored by neutrals, you'll also find classic colors like Cast Black and Pure White.
