## Product Launch Plan Drop-Down Door Microwaves & Speed Ovens

The Sub-Zero Group, Inc. is pleased to announce the launch plan for the new Drop-Down Door Microwaves and Speed Ovens. They are excited to begin the launch process within our network.

### NEW MODELS

Drop-Down Door Microwave

Speed Oven

#### New Product Details:

- New Touchscreen User Interface
- Soft-Open and Soft-Close Door

Please note that due to the advanced new touchscreen display and industry wide standby power regulations on microwaves, these products will not have clocks. Units will ship with a default blank home screen which can be changed to a Wolf logo within Settings, if desired.

#### ORDER DETAILS

- Current Models
  - Ordering will be open for all current models while supplies last. As availability is consumed, these models will be turned off for new orders.
  - Please refer to the table on page 2 for current models that will be turned off immediately for new orders.

Continued...

**ORDER DETAILS continued**

- New Models
  - COMNet (ODM) will open for ordering effective immediately.
  - Orders for new models will reflect accurate availability dates upon order entry.

**NEW PRODUCT AVAILABILITY: Q4 2025**

*Drop-Down Door*  
Microwave Oven

FULL OF FEATURES FOR MAXIMUM FLEXIBILITY

With even heat distribution, reliable speed and convenience,  
and elegant design aesthetics, the Drop-Down Door  
Microwave Oven is the perfect addition to any kitchen.

# Drop-Down Door Microwave Oven

## PRODUCT HIGHLIGHTS

### ELEVATED COOKING

The microwave utilizes 900 watts of power and distributes heat evenly with no hot or cold spots, allowing for oven-like performance.

### PRECISE METHODS

Ten microwave power levels, convenient quick-start modes, and an intuitive Gourmet mode assure predictably delicious results.

### COHESIVE CONTROLS

A sleek 8" full-color LCD touchscreen shares a similar interface and aesthetics with other Wolf appliances for an intuitive and consistent user experience.

### DESIGN FLEXIBILITY

The elegant exterior and built-in style coordinates seamlessly with a full suite of similarly styled Sub-Zero, Wolf, and Cove appliances.

### LUXE EXPERIENCE

The soft-open and -close drop-down door provides the luxury feel that Wolf appliances are known for.

## MODEL OPTIONS

# *Convection* Speed Oven

A VERSATILE ADDITION TO ANY KITCHEN

Discover the heat distribution and browning capabilities of a convection oven paired with the power, speed, and compact size of a microwave. With 12 specialized modes, the Speed Oven truly takes the guesswork out of preparing an endless assortment of foods.

# Convection Speed Oven

## PRODUCT HIGHLIGHTS

### ELEVATED COOKING

The Speed Oven provides more cooking power than a traditional microwave and offers all-in-one oven versatility by combining microwave, convection, and broil technologies.

### PRECISE METHODS

Ten microwave power levels, convenient quick-start modes, two racks and risers for enhanced browning, and an intuitive Gourmet mode assure predictably delicious results.

### COHESIVE CONTROLS

A sleek 8" full-color LCD touchscreen shares a similar interface and aesthetics with other Wolf appliances for an intuitive and consistent user experience.

### DESIGN FLEXIBILITY

The elegant, modern exterior coordinates seamlessly with a full suite of similarly styled Sub-Zero, Wolf, and Cove appliances.

### LUXE EXPERIENCE

The soft-open and -close door provides the luxury feel that Wolf appliances are known for.
