30" Induction Cooktop Zone Correction

The Sub-Zero Group, Inc. would like to provide you with a correction regarding induction zone dimensions for 30" Induction Cooktops (60 Series) and 30" Induction Ranges (50 Series). Please note that no changes have been made to item/model numbers or physical products themselves. This communication is solely informational in that updates have been made to accurately reflect the 2600 W zone dimension to 10" as depicted by the graphics on the glass.

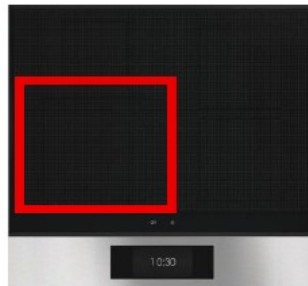

See below for the list of affected items:

SKU#	Model Number	Model Description
5610767	CI30460T/S	30" Transitional Induction Cooktop
5610768	CI30460C/B	30" Contemporary Induction Cooktop
5610674	IR30450/S/T	30" Transitional Induction Range
5610821	IR30450/S/P	30" Professional Induction Range

30" Induction Cooktops (60 Series)

30" Induction Ranges (50 Series)
