Not all finishes available in all platforms. Visit [moen.com](https://www.moen.com) for additional information.

THE HOT WATER HERO AT THE KITCHEN SINK

Transform daily routines with the Moen[®] Instant Hot faucets and water tank, and conveniently receive immediate hot water exactly when you need it. The Instant Hot SIP[™] faucets pair with the Moen Instant Hot tank, delivering hot water at your selected temperature between 140–190°F—perfect for preparing coffee, tea, oatmeal and more. Plus, it speeds up boiling for cleaning and cooking tasks.

The faucets come in modern, transitional and traditional styles with various finishes to seamlessly match any kitchen design. Additionally, the Instant Hot faucets and tank integrate effortlessly with Moen's carbon filtration systems, allowing for a fully customized setup.

Moen[®] received the highest numerical score in the proprietary Lifestory Research 2016–2024 America's Most Trusted[™] Faucet studies. Study results are based on experiences and perceptions of people surveyed. Your experiences may vary. Visit [lifestoryresearch.com](https://www.lifestoryresearch.com).
